N. B. To favour those who may take a quantity of  
Tickets, the prize of 40,000 dollars will be the LAST drawn  
ticket, and the 30,000 the LAST but ONE.  
And approved notes, securing payment in either money  
or prizes, in ten days after drawing, will be received for  
any number not less than 30 tickets.  
This Lottery will afford an elegant specimen of the pri-  
vate buildings to be erected in the City of Washington—  
Two beautiful designs are already selected for the entire  
fronts on two of the public squares; from these drawings  
it is proposed to erect two centred four corner buildings,  
as soon as possible after this lottery is sold, and to convey  
them, when complete, to the fortunate adventurers, in the  
manner described in the scheme for the Hotel Lottery.  
A net deduction of five per cent. will be made to defray  
the necessary expenses of printing, &c., and the surplus  
will be made a part of the fund intended for the National  
University, to be erected within the city of Washington.  
The Drawing will commence as soon as the tickets are  
old off.—The money prizes will be payable in thirty days  
after it is finished; and any prizes for which fortunate  
numbers are not produced within twelve months after the  
drawing is closed, are to be considered as given towards  
the fund for the University; it being determined to settle  
the whole business in a year from the ending of the draw-  
ing, and to take up the bonds given as security.  
The real securities given for the payment of the Prizes,  
are held by the President and two Directors of the Bank  
of Columbia, and are valued at more than half the value  
of the lottery.  
The twenty four gentlemen who by appointment of  
the late Commissioners assisted in the management of the  
Hotel Lottery are requested to undertake this arduous task  
a second time on behalf of the public; a sufficient num-  
ber of these having kindly accepted, it is hoped that the  
interests to a National University and the other federal ob-  
jects may continue to favor the design.  
By accounts received from the different parts of the  
Continent as well as from Europe, where the tickets  
have been sent for sale, the public are assured that the  
drawing will speedily commence, and that the care and  
caution unavoidably necessary to insure a safe disposal of  
the tickets, has rendered the more suspension indispensable.  
SAMUEL BLODGET.  
\* \* \* Tickets may be had at the Bank of Columbia; of  
James Well & Co. Baltimore; of Peter Gilman, Boston;  
of John Hopkins, Richmond; and of Richard Wells  
Cooper's Ferry.
