The Elephant,
New exhibited, was bought for Ten Thousand Dollars.
He is 3 years old, 6 feet high, growing to 18 feet. He eats 150 weight a-day, and drinks a barrel of water; he has drank some days forty bottles of porters, drawing the corks with his trunk.
He is perfectly inoffensive; travels loose, at the rate of five miles an hour, and is the greatest curiosity ever brought to this Continent.
He is to be seen 'till the 15th of January, in Market-street between Third and Fourth-streets, at a quarter of a dollar, that every one may see him—after which time the former price of half a dollar will be refused.
He will leave Philadelphia as soon as the weather will permit.

PURSUANT to a Resolve of the Board of Trustees of WASHINGTON ACADEMY, in Somerset County, and State of Maryland,
NOTICE IS HEREBY GIVEN,
That the office of Principal Teacher in the said school is vacant.
A GENTLEMAN qualified to teach the higher Greek and Latin Classics, Geography, and the Mathematics, with such other branches of literature as are usually taught in such schools, would meet with liberal encouragement, and, it is believed, would obtain a very eligible settlement. For the present, the Trustees would be willing to contract with a person capable of taking charge of a Grammar School.
As this Institution is provided with buildings sufficient to accommodate the principal and his family, and from seventy to eighty boys; a library, an excellent philosophical and mathematical apparatus, globes, maps, &c; has respectable funds, and is situated in a plentiful and agreeable part of the country; nothing seems wanting to make it rank among the most useful seminaries in this part of the Union, but a suitable character to preside in it.
Proposals may be addressed to the subscriber, in Princess-Anne, in the neighborhood of the Academy, or to Doct^r MARTIN L HAYNIE, No. 83, north Third-street, Philadelphia, or to the Printer hereof.
EZEKIEL HAYNIE.
