S T A G E S.

The public are requested to take notice, that the partnership which has for some time, subsisted between Mathias slough of Lancaster, and William Geer, is now disolved. but, not as M. Slough infinuates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last, a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at still liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippensburg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messes, Reily, Weed and Witmer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The above company, who are amply provided with carriages, horses, and every appurtenance to render the passage fase and commodious, inform those who wish to patronize and encourage the undertaking, that they can take their seats at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburg, Carlisse and Shippensburg. The fare as hitherto established.

For the further accommodation of the public, a Stage will start every Wednesday from the house of Samuel Elder, in Harrisburg, arrive at Sunbury in Northumberland county, every Thursday, and return from theve and arrive at Harrisburg every Saturday, to that passages destined for Lancaster or Philadelphia, may proceed on Mondays.
