To the Benevolent.

THE Subscriber having rented that well known tavern house, on Silver Springs, Cumberland county, on the great road leading from Philadelphia to Fort Pitt, which he had completely furnished for the accommodation of travellers, but which unfortunately, by accident caught fire about 12 o'clock in the morning, the 3d of November last, and in the space of one hour was totally consumed with all the furniture, wearing apparel, stores of liquors, &c. to a very large amount, attended with the melancholy loss of a daughter about twelve years of age, who only survived a few hours after the fire; his wife also disabled; and others of his family much hurt; he is now reduced to an unhappy and delicate situation—he therefore begs leave to solicit some relief from a generous public. The following gentlemen are pleased to undertake the trouble to solicit and receive subscriptions for his benefit: viz. Samuel Richardet, Merchants' Coffee-House; James Thompson, Indian Queen; George Irwin, Cross Keys, in Fourth-street, and John Dunwoody, Spread Eagle, High-street.

Lancaster, Harrisburgh, Carlisle, Shippensburg and Sunbury STAGES.

The public are requested to take notice, that the partnership which has for some time subsisted between Mathias Slough of Lancaster, and William Geer, is now dissolved: but, not as M. Slough intimates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 20th December last, a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippensburg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messrs. Reily, Weed and Witmer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The above company, who are amply provided with carriages, horses, and every appurtenance to render the passage safe and commodious, inform those who wish to patronize and encourage the undertaking, that they can take their seats at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburgh, Carlisle and Shippensburg. The fare as hitherto established.

For the further accommodation of the public, a Stage will start every Wednesday from the house of Samuel Elder, in Harrisburgh, arrive at Sunbury in Northumberland county, every Thursday, and return from thence and arrive at Harrisburgh every Saturday, so that passengers destined for Lancaster or Philadelphia, may proceed on Mondays.

Lancaster, Jan. 27, 1797.
WILLIAM GEER.
N. B. This Line of Stages starts from the house of William Ferree, in Lancaster, on every Tuesday and Saturday morning at 6 o'clock, proceeding to the westward; and from the house of Mr. Samuel Elder in Harrisburgh every Wednesday morning, on the same evening arrives at Patrick Cochran's in Shippensburg, and returns from thence on every Thursday; performing the same routine daily as in its tour from Philadelphia.

S W A N N 'S Riding School, Horse Academy & Infirmary, Adjoining the Public Square, Market Street. T. SWANN

RETURNS his sincere thanks to all the gentlemen by whom he has been employed, during his residence in this City, and flatters himself that the success of his efforts, in the numerous, obdurate and dangerous diseases in Horses, in which he has been consulted, together with his moderate charges, will secure their future favors and recommendation.

He now begs leave to inform them and the public at large that his spacious and commodious premises, erected for the purposes above described are open for the reception of pupils of either sex, who wish to be instructed in the Art of Riding, and the right method of governing their horses, to assist ride them with ease, elegance, and safety—their horses will be carefully and expeditiously broke, for every purpose, and made obedient to the will of the riders; the natural powers which are shut up in them, will be unfolded by art, calling forth uniformity of motion, and giving to that noble animal all those beauties of action which providence has so bountifully bestowed on them.

Also, at his hospital, every disorder to which the horse is liable will be treated according to the rules of art, confirmed by long and repeated experience.

The utility of the above institution has never been questioned, that it has long been wanted in this city, every gentleman's stud will manifest, and T. SWANN as the first establishment of the veterinary art, solicits and relies upon the support of that public (which he is ever anxious to serve) to enable him to bring it to perfection. The idea of a subscription for that purpose has been hinted by several gentlemen, who wish to promote the institution—the amount of each subscription to be returned by services in any of the departments he professes, agreeable to the rate of charges stated in his hand bill. Such a subscription is now open, and the signatures of many respectable gentlemen already obtained. He therefore intreats his friends and such Ladies and gentlemen to whom he has not the honor of being known, that he shall in a few days take the liberty of waiting upon them and soliciting their support and protection.

N. B. Horses are properly prepared for those Ladies and Gentlemen who wish to be instructed.
