Laws of the U. S.

SWIFT'S EDITION. Just Published, Price 6 dollars, 3 vol. 12mo. Sold by W. Young, Mills and Son, H. and P. Rice, M. Carey, R. Campbell and Co. Laws of the United States, From the commencement of the Federal Government to the end of the last Session of Congress, which terminated March 3, 1797. THIS edition, published under an order of Congress of the United States, has many peculiar advantages. In the former one, each volume had a separate index, which rendered the reference in all cases, difficult and troublesome, and in many almost impossible. The indexes were, moreover, very injudiciously compiled. On the contrary, in the present edition, there is one copious, luminous index, compiled by Zephaniah Swift, Esq. referring to all the volumes, and comprising in itself a complete digest of all the laws of the United States.
