### THE FOLLOWING VALUABLE Tracts of Land,

In the county of Glynn and state of Georgia, will be sold by public sale, at eight o'clock on the evening of Tuesday the 27th day of June next, at the Merchants Coffee-House in this city, unless previously disposed of by private sale.

No. 7000 acres on St. Simons Sound at the confluence of Frederica and Turtle rivers, adjoining the commons of the town of Brunswick, originally granted to John Howell, and within 6 miles of the Atlantic ocean.

No. 25,000 acres on the head waters of a branch of the great Satilla, originally granted to Ferdinand O'Neal.

No. 50,000 acres on the waters of the little Satilla river, and of Buffalo and Alexander Creeks; the great Satilla road passes through these lands, which were originally granted to Ferdinand O'Neal.

No. 50,000 acres on the great Satilla river, which are also intersected by a branch of the little Satilla, and were originally granted to Thomas Spalding.

It appears by authentic certificates, from Thomas Davis, surveyor, and from Major Hopkins now residing in Philadelphia, that the body of these lands is not thirty miles from the ocean, and principally within tide water; that the Altamaha is navigable for boats and rafts two hundred miles above, and for large vessels within ten miles of them; that they are chiefly first rate pine lands, producing timber equal in quality to any in the state of Georgia, possessing the same advantages of navigation. The abovementioned certificates, together with the patents, drafts, and other papers respecting the title, which is complete and unincumbered, are in the possession of the subscribers, and may be seen by applying to Benjamin R. Morgan, at No. 41 Mulberry Street. The terms of payment will be one third cash, the remaining two thirds in good negotiable endors'd notes, payable in three and six months after the sale; a conveyance to be made to each purchaser on the payment of that moiety of the notes received from him which becomes first due.

### Lancaster, Harrisburgh, Carlisle, Shippensburg and Sunbury STAGES.

THE public are requested to take notice, that the partnership which has for some time subsisted between Mathias Slough of Lancaster, and William Geer, is now dissolved; but, as M. Slough insinuates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last, a receipt of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippensburg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messrs. Reily, Weed and Winzer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The above company, who are amply provided with carriages, horses, and every appearance to render the passage safe and commodious, inform those who wish to patronize and encourage the undertaking, that they can take their seats at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburgh, Carlisle and Shippensburg. The fare as hitherto established.

For the further accommodation of the public, a Stage will start every Wednesday from the house of Samuel Elder, in Harrisburgh, arrive at Sunbury in Northumberland county, every Thursday, and return from thence and arrive at Harrisburgh every Saturday, so that passengers destined for Lancaster or Philadelphia, may proceed on Mondays.

### WILLIAM GEER.

Lancaster, Jan. 27, 1797. N. B. This Line of Stages starts from the house of William Ferree, in Lancaster, on every Tuesday and Saturday morning at 6 o'clock, proceeding to the westward; and from the house of Mr. Samuel Elder in Harrisburgh every Wednesday morning, on the same evening arrives at Patrick Cochran's in Shippensburg, and returns from thence on every Thursday; performing the same routine daily as in its tour from Philadelphia.

### STICKNEY'S PATENT ARCH BRIDGE.

ANY person desirous of information respecting this new construction, may obtain it without delay by application per letter, or otherwise, to John Stickney, merchant of Worcester, (Massachusetts) who will make known the many advantages arising from this manner of building, and upon application he will either vend a patent right, or attend personally to superintend the building of any bridge required.

### Venereal Complaints,

PUNCTUALLY attended to in every stage of that disease, without the use of mercury or restraint of diet, in any case recent and simple, on application at No. 113, Chestnut-street, opposite the United States bank, or at No. 170, South Water-street, between Spruce and Pine-streets, where he has opened an office for the better accommodation of his patients.

But in Lues Venerea confirmed, Doctor Morgan pledges himself, that no system of cure (however specious) can be effectual without mercury, and that all the known rules of practice for these two centuries past, and untried experience affirms, that any substitute for it is but nugatory, and any mode of practice to the contrary must be futile and deceptive.

Nevertheless, he undertakes, however complicated the case, to effect a cure without inconvenience or injury to the patient's constitution, and in time not generally experienced or expected.

N. B. Regular attendance at the office in Water-street, from the hour of nine o'clock in the morning until one, and from three o'clock in the evening until seven; but any other time at his dwelling house, in Chestnut-street.
