

THE SUBSCRIBER having been appointed by the Envoy Extraordinary and Minister Plenipotentiary of His Britannic Majesty, General Agent for settling British creditors, and such particular agents as they may specially authorize, in prosecuting their claims before the Commissioners for carrying into effect the sixth article of the Treaty of Amity, Commerce and Consular Rights between His Britannic Majesty and the United States of America, hereby gives notice that he has opened his office at his house the fourth east corner of Chestnut and Fifth Streets, Philadelphia, where he is ready to receive all claims or instructions for claims with the vouchers and documents thereof, for the purpose of bringing forward the same agreeably to the rules and orders which the board may think proper to prescribe.

And as it will be for the interest of all concerned, that the several claims be so stated, and supported, as to prevent the delay which would arise from the necessity of obtaining further information, or additional materials, from persons residing at a distance, the general agent thinks it his duty to add, (for the direction chiefly of those who, not having employed particular agents, may leave the prosecution of their claims to his charge and management) that all such claims ought to be particularized in form—

1st. The proper description and situation of the creditor or claimant, and original debtor, respectively.

2d. The date or nature of the original contract or debt.

3d. When, in what manner, and to what extent, the creditor or claimant was prevented or impeded, by the provision, operation or defect of law, the decisions and practice of courts, or restraint of execution, from recovering payment of the debt in question.

4th. The losses and damage incurred or sustained, in consequence of such impediments, whether the same may have arisen from the insolvency, change of situation, or death of the debtor, the loss of legal remedy from lapse of time, or other causes impairing the value and security of the debt, which would not have been operated if such impediments had not existed.

5th. The particular grounds and reasons on which the claimant maintains, in the terms of the treaty, that by the ordinary course of judicial proceedings, the creditor cannot now obtain and actually have and receive full and adequate compensation for the losses and damages so sustained.

The general agent thinks it his duty further to suggest that the several claims ought to be accompanied and supported by the affidavits of the claimants duly sworn and regularly attested, both as to the existence of the debts claimed, and such other circumstances as may be within their own knowledge respectively. And wherever the claimants in stating the nature of their evidence (which must in every instance be the best of which the rate is capable) have occasion to refer to the testimony of witnesses, it will be proper to apprise the general agent of the names and places of residence of such witnesses and the facts to be established by their testimony.

THE FOLLOWING VALUABLE Tracts of Land,

IN the county of Glynn and State of Georgia, I will be sold by public sale, at eight o'clock on the evening of Tuesday the 27th day of June next, at the Merchants Coffee House in this city, unless previously disposed of by private sale.

1st. 7000 acres on St. Simons Sound at the confluence of Frederica and Turtle rivers, adjoining the commons of the town of Brunswick, originally granted to John Howell, and within 6 miles of the Atlantic ocean.

2d. 25,000 acres on the head waters of a branch of the great Satilla, originally granted to Ferdinand O'Neal.

3d. 50,000 acres on the waters of the little Satilla river, and of Buffalo and Alexander Creeks; the great Satilla road passes through these lands, which were originally granted to Ferdinand O'Neal.

4th. 50,000 acres on the great Satilla river, which are also intersected by a branch of the little Satilla, and were originally granted to Thomas Spaulding.

It appears by authentic certificates from Thomas Davis, surveyor, and from Major Hopkins now residing in Philadelphia, that the body of these lands are not thirty miles from the ocean, and principally within tide water; that the Altamaha is navigable for boats and rafts two hundred miles above, and for large vessels within ten miles of them; that they are chiefly first rate pine lands, producing timber equal in quality to any in the State of Georgia, possessing the same advantages of navigation.

The above mentioned certificates, together with the patents, drafts, and other papers respecting the title, which is complete and unincumbered, are in the possession of the subscribers and may be seen by applying to Benjamin R. Morgan, at No. 41 Mulberry Street. The terms of payment will be one third cash, the remaining two thirds in good negotiable endorsed notes, payable in three and six months after the sale; a conveyance to be made to each purchaser on the payment of that moiety of the notes received from him which becomes first due.

JEREMIAH PARKER,
BENJAMIN R. MORGAN.

Veneral Complaints,

PUNCTUALLY attended to in every stage of that disease, without the use of mercury or restraint of diet, in any case recent and simple, on application at No. 113, Chestnut-street, opposite the United States bank, or at No. 170, South Water-street, between Spruce and Pine-streets, where he has opened an office for the better accommodation of his patients.

But in Lues Venere confirmed, Doctor Morgan pledges himself, that no system of cure (however specious) can be effectual without mercury, and that all the known rules of practice for these two centuries past, and united experience affirms, that any substitute for it is unbeneficial, and any mode of practice to the contrary must be futile and deceptive.

Nevertheless, he undertakes, however complicated the case, to effect a cure without inconvenience or injury to the patient's constitution, and in time not generally experienced or expected.

Lancaster, Harrisburg Carlisle, Shippenburg and Sunbury STAGES.

THE public are requested to take notice, that the partnership which has for some time subsisted between Mathias Slough of Lancaster, and William Geer, is now dissolved; but, not as Mr. Slough intimates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last, a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter; and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippenburg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messrs. Reily, Weed and Witmer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The above company, who are amply provided with carriages, horses, and every appurtenance to render the passage safe and commodious, inform those who wish to patronize and encourage the undertakings, that they can take their seats at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburg, Carlisle and Shippenburg. The fare as hitherto established.

For the further accommodation of the public, a Stage will start every Wednesday from the house of Samuel Elder, in Harrisburg, arrive at Sunbury in Northumberland county, every Thursday, and return from thence and arrive at Harrisburg every Saturday, so that passengers destined for Lancaster or Philadelphia, may proceed on Mondays.

WILLIAM CEER.

Lancaster, Jan. 27, 1797.
N. B. This Line of Stages starts from the house of William Ferrer, in Lancaster, on every Tuesday and Saturday morning at 6 o'clock, proceeding to the westward; and from the house of Mr. Samuel Elder in Harrisburg every Wednesday morning, on the same evening arrives at Patrick Coshran's in Shippenburg, and returns from thence on every Thursday; performing the same routine daily within its tour from Philadelphia.

STICKNEY'S PATENT ARCH BRIDGE.
ANY person desirous of information respecting this new construction, may obtain it without delay by application in letter, or otherwise, to John Stickney, merchant of Worcester, (Massachusetts) who will make known the many advantages arising from this manner of building, and upon application he will either vend a patent right, or attend personally to superintend the building of any bridge required.

The Commissioners

FOR carrying into effect the sixth article of the Treaty of amity, commerce and navigation, concluded between His Britannic Majesty and the United States of America, on the 19th day of November, 1794, having this day constituted their Board, pursuant and agreeably to the said treaty, do hereby give notice, that they are ready to proceed to business accordingly; and they desire that all claims under the said article (which so far as the same describes the cases thereby provided for, is hereto annexed) may be lodged with their Secretary without delay.

They further desire that all such claims may not only state in what manner the several cases come within the description of the said article, but also specify the nature of the evidence by which the claimants respectively undertake to substantiate the same.

Extra: from the said article,
"Whereas it is alleged by divers British merchants, and others his Majesty's subjects, that debts to a considerable amount, which were bona fide contracted, before the peace, still remain owing to them by citizens or inhabitants of the United States; and that by the operation of various lawful impediments, since the peace, not only the full recovery of the said debts has been delayed, but also the value and security thereof have been in several instances impaired and lessened, so that by the ordinary course of judicial proceedings, the British creditors cannot now obtain and actually have received full and adequate compensation for the losses and damages which they have thereby sustained: It is agreed that in all such cases where full compensation for such losses and damages cannot for whatever reason be actually obtained, had and received by the said creditors in the ordinary course of justice, the United States will make full and complete compensation for the same to the said creditors: but it is distinctly understood, that this provision is to extend to such losses only as have been occasioned by the lawful impediments aforesaid, and is not to extend to losses occasioned by such insolvency of the debtors or other causes, as would equally have operated to produce such loss, if the said impediments had not existed; nor to such losses or damages as have been occasioned by the manifest delay, or negligence, or willful omission of the claimant."

Secretary.
