"Sed cum plerique arbitrentur res billioas majores effe quam urbanas, minuenda elt hoscopinio."

Cic. Off,

"WILLIAM PENN, the great legislator of the Quakers, (in Pennsylvonia) had the fuccels of a conqueror, in establishing and defending his colony, among savagetribes, without ever drawing the fword; the goodness of the most benevolent rulers, in treating his subjects as his own children; and tife tenderness of an universal father; who opened his arms to all mankind without distinction of section party. In his Republic it was not his religious creed, but personal merit, that entitled every member of society to the protection and emolument of the State."

Essay on Teleration, by Arthur O'Leary.

The Adventures of Telemachus.

French and English, 2 vols. 12mo.

A MONG the books which daily fall into the hands of the youth of both fexes, none have a higher claim to their attention than Telemachus. The mest interesting lessons are here conveyed in the vehicle of an interesting Peem. replete with the finest touches of the true pa-thetic, and embelished with all the graces of a beautiful style. The fatal effects of indulging the passions are exemplified in the most striking mamier; and the happiness attending inno-cence and virtue painted in the liveliest colours. Whatever can incite to virtue or deter from vice; whatever can enlighten the understand-ing, charm the imagination, and improve the heart, is to be found in this interesting work.
