WHERFAS a combination of men in this county have undertaken to enrich themselves, by fabricating titles to fundry valuable tracks of land, the property of gentlemen living in New York, Philadelphia, London and Paris, for which of land, the property of gentlemen living in New York, Philadelphia, London and Paris, for which trades of land large fums of money have been paid to those fraudulent men, by innocent purchasers. It is therefore just that public information should be given, to the end, that the injured may seek redress while the men have property, and are to be found. Those who have been discovered are Truman Harrison, Joseph Witcomb, said now to reside in the county of Saratoga; Thomas Kelly and several others who go under siditious names. It is supposed that the lands offered fir sale on those fabricated titles, are at least worth sifty thousand dollars. Such as we have actual knowledge of are as sollows: Lots No. 11 and 12, Ottego patent, thousand acres each, the actual property of William Dellwyn, now of London; lots No. 58 and 64, same patent, thousand acres each, the property of Mr. Chaumonr, now of Paris, and lames Averill and others, of this State. There is some grounds to suppose that the lands of Richard Wells and Charles Wharton, of Philadelphia, are under their management.—The Printers will do well to give this a place in their papers, as well to caution the public against purchasing those lands, as also to deprive those men in suture from imposing on individuals, which their education and address have enabled them to do heretofore. Witcomb has been a shopkeeper of some note in this country.
