WRITTEN BY HIMSELF. This publication prefents a concile flatement of the bale means practifed by the Jacobins of the United States to afperfe the characters of those persons who are considered as hostile to their differganizing schemes. It also contains the correspondence between 'Mr. Hamilton and Messirs. Monroe, Muhlenburgh and Venable, on the subject of the documents aloresaid, and a series of leter for the Manager of the Ma ters from James Reynolds and his wife to Mr Hamilton, proving beyond the possibility of a doubt, that the connection between him and Reynolds,

was the refult of a daring confpiracy on the part of the latter and his affectates to extort money.

A packet leaves Norfolk for Northampton ferry, every Tuefday, Thurfday and Saturday, and the Stage frarts from this ferry for Philadelphia, every Monday, Wednefday and Friday sputs up at Snew Hill the first night, at Dover the 2d night, and arrives in Philadelphia in the evening of the third day.

The diffunce on this route, between Philadelphia and Norfolk, is so miles less than on any stage route between those places

Too much cannot be said in favor of the road, which is most excellent indeed. The proprietors willingly engage to return the whole fare to any passenger, who, after having performed this route, will say that he ever travelled in a stage for the same distance, so good a road in America.
