STAGES.

THE public are requested to take notice, that the partnership which has for some time subsisted between Mathias Slough of Lancaster, and William Geer, is now dissolved: bat, not as M. Slough infineates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last. a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer, may have more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty, to determine whether or not W. Geer is not perfectly justifiable in attaching himfelf to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippensurg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messes. Reily, Weed and Witmer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The fare as hithertoestablished.

For the further accommodation of the public, a Stage will flart every Wednefday from the house of Samuel Elder, in Harrisburg, arrive at Sunbury in Northemberland county, every Thursday, and return from theore and arrive at Harrisburg every Saturday, so that passengers destined for Lancaster or Philadelphia, may proceed on Mon-

It is therefore just that public information should be given, to the end, that the injured may feek redress while the naen have property, and are to be found. Those who have been discovered are Trunan Harrison, Joseph Witcomb, faid now to reside in the county of Saratoga; Thomas Kelly and several others who go under fictitious names. I Thomas Kelly, of the County of Otsego, having been led into an error, by John Witcomb and Truman Harrison, of the same County, to sign a deed to them, for lot No. 58, Otsego patent, which was the property of William T. Franklin now Mr. Chamont's and others, and further the said Joseph and Truman did persuade me to do this against my inclination, which was made out on the 1cth day of November, 1793, or set back two years so as to bring it to that time; and surther the name of Pardon Starks to that deed was a staticus name, there being no such person there. To this I make voluntary oath.

FLITTU PHIMNEY, Justice of the Peace.

On the 18th July, 1797, came before me Jacob Kibby, a person by me well known and worthy of good credit, who on his folemn oath did fay, that two of the parties abovementioned did make application to him this deponent, some time in the winter of 1796, to make them a deed for two thousand acres of land in the Otego patent, and promised this deponent a share of the profits, on the sale of said lands, for his so doing; and that they made applications feveral times for the same purpole, which services this deponent as often resused, declaring to them that he had no right to lands, and could no no such thing; which daring attempt on this deponent's integrity he had related a mong his friends several times, previous to making this affifriends several times, previous to JACOB KIBBEY.
