CAUTION.

WHEREAS a combination of men in this county have undertaken to enrich thamfelves, by fabricating titles to fundry valuable tracts of land, the property of gentlemen living in New York, Philadelphía, London and Paris, for which tracts of land large sums of money have been paid to those fraudulent men, by innocent purchasers. It is therefore just that public information should be given, to the end, that the injured may seek redress while the race have property, and are to be found. Those who have been discovered are Truman Harrison, Joseph Witcomb, faid now to reside in the county of Saratega; Thomas Kelly and several others who go under sicitious names. It is supposed that the lands offered for sale on those fabricated titles, are at least worth fifty thousand dollars. Such as we have actual knowledge of are as follows: Lots No. 11 and 12, Ottego patent, thousand acres each, the actual property of William Dellwyn, now of London; lots No. 58 and 64, same patent, thousand acres each, the property of Mr. Chaumont, now of Paris, and James Averill and others, of this State. There is some grounds to suppose that the lands of Richard Wells and Charles Wharton, of Philadelphia, are under their management.—The Printers will do well to give this a place in their papers, as well to caution the public against purchasing those lands, as also to de-

ofe the interference of WM. COOPER.
