From the Otfego Herald. CAUTION.

WHERRAS a combination of men in this county have undertaken to enrich them-felves, by labricating titles to fundry valuable tracks of land, the property of gentlemen living in New York, Philadelphia, London and Paris, for which York, Philadelphia, London and Paris, for which tracks of land large fums of money have been paid to those fraudulent men, by innocent purchasers: It is therefore just that public information should be given, to the end, that the injured may seek redress while the men have property, and are to be found. Those who have been discovered are Truman Harrison, Joseph Witcomb, said now to reside in the county of Saratoga; Thomas Kelly and several others who go under sestious names. It is supposed that the lands offered for sale on those fabricated titles, are at least worth fifty thousand dollars. Such as we have actual knowledge of are as soliows: Lots No. 11 and 12, Otsego patent, theusand acres each, the actual property of William Dellwyn, now of London; lots No. 38 and 64, same patent, thousand acres each, the property of Mr. Chaumont, now of Paris, and James Averill and others, of this State. There is some grounds to suppose that the lands of Richard Wells and Charles Wharton, of Philadelphia, are under their management.—The Printers will do well to give this a place in their papers, as well to caution the management.—The Printers will do well to give this a place in their papers, as well to caution the public against purchasing those lands, as also to deprive those men in future from imposing on individuals, which their education and address have enabled them to do heretosore. Witcomb has been a shopkeeper of some note in this country.

The following affidavits will fet in a clear point of view the wickedness of those men, which when the public have pecused will indust them to expense.

I Thomas Kelly, of the County of Otsego, having been led into an error, by John Witcomb and Truman Harrison, of the same County, to sign a deed to them, for lot No. 58, Otsego patent, which was the property of William T. Franklin now Mr. Chamont's and others; and further the said Joseph and Truman did persuade me to do this against my inclination, which was made out on the reth day of November, 1793, or set back two years so as to bring it to that time; and surther the name of Pardon Starks to that deed was a fictitious name, there being no such person there. To this I make voluntary oath.

On the 18th July, 1707, came before me Jacob Kibby, a person by me well known and worthy of good credit, who on his solemn oath did say, that two of the parties abovementioned did make application to him this deponent, some time in the winter of 1796, to make them a decal for two thousand acres of land in the Otego patent, and promised this deponent a share of the profits, on the fale of said lands, for his so doing; and that they made application several times for the same purpose, which services this deponent as often resuled, declaring to them that he had no right to lands, and could do no such thing; which daring attempt on this deponent's integrity he had related among his friends several times, previous to making this affiriends feveral times, previous to making Sworn before me,
