ications the t can be put into the hands of young

Delightful talk to rear the tender thought, To teach the young idea how to shoot,
To pour the fresh instruction o'er the mind,
To breathe th' enlivening spirit, and to six
The generous purpose in the glowing breast."

I'HIS DAY IS PUBLISHED,
By THOMAS DOBSON, at the Stone House,
No. 41, fouth Second freet,

Letters and Conversations, Between several Young Ladies, on surproving and in

terething subjects.

Translated from the Dutch of Madame de Gambon with alterations and improvements, Printed on fine paper, and neat by bound,

AMIDST the tide of modern Romances, parnting tales of extraordinary diffres, or of desperate or artful villainy, which "harrow up the soul," and which it would be for the honor of young ladies to be ignorant of, this little book comes, forward to solicit notice, where, in a variety of incidents, not exceeding the bounds of real life, the proper, because elegant and natural dignity and importance of the Female character is exhibited in an interesting point of view, and presents examples of real and attainable events.

The publisher was so much pleased with the pero-fal, that he was persuaded he should do a pleasing service to the community by sending it into circu-lation.

August 24—mw4w

To Masters and Pilots bringing up Vessels from Foreign Ports to this City.

Wilereas fundry infringements have lately been made on the laws of this state for the preventing pestilential or infectious diseases, either from ignorance or inattention thereto, it is tho't expedient at this time to publish the following extracts from the laws of 22d April, 1794, 7th and 8th sections.

HEALTH-OFFICE.

of Philadelphia from the introduction of peflilential and contagious difeafes.

Sect. 7. And he it further enacted, that every
mafter or captain of any hip or vefiel coming from
fes (veffels actually employed in the coaffing trade
excepted) and hould to any port or place within
the jurification of Pennfylvania, fiall caufe his ship
or vefiel to be brought to anchor, or otherwife flayed in the stream of the river Delaware, opposite to
the Isealth-Office on Stats-Island aforefaid, and
there to remain until he shall have duly obtained a
certificate or bill of health from the Resident Phyfician. And it, previously to obtaining such certificate or bill of health, any master or captain shall
suffer his ship or vessel to approach nearer than the
said Heaith-Office to the city of Pailadelphia, or
shall land, cause or suffer to be landed, or brought
on shore, at any place or port within this Coramonwealth, or at any other port or place, with the
intent of being conveyed into this Commonwealth,
any person or persons, or any goods, wares or morchancize, or, if after receiving such bill of health
or certificate, he shall negle & or resust to deliver
the same to the Health-Officer, such master or captain shall sorfeit and pay, for each and every such
offence, the sum of sive hundred bollars.

And the captain or master of every ship or vesfel shall send a safe and commodious boat to bring
the physician on board, and shall in like manner
convey him back to the Health-Office, after he has
concluded his official examination; and while he
is making such examination, or in case any subsequent examination by the Health Officer or Con-

convey him back to the Health-Office, after he has concluded his official examination: And while he is making such examination, or in case any subsequent examination by the Health Officer or Confesting Physician, agreeably to the directions of this act, the master or captain shall expose or cause to be exposed to the fearth of the Resident Physician, or of the Health Officer and Consulting Physician (as the case may be) each and every part of the ship or vessel, and shall present to his view each and every person or persons on board thereof, and and shall also true and satisfactory answers make to all such questions as the Resident Physician, &c. at the time of examination shall ask relative to the health of any portor place from which the ship or vessel sailed, or has since touched at—the number of persons on board when the ship or vessel sailed, or has since touched at—the number of persons on board when the ship or vessel tailed, or has since touched at—the number of they have been during the voyage, or shall, at the time of examination, be infected with any pestilential or contagious disease—and what is the present share and condition of the persons on board with respect to their health or disease. And if any maker or captain shall results to expose as aforeaid, to the search of any of the officers aforesaid, to the search of any of the officers aforesaid, in the shall conceal any suck person, or in any other many or decirors the proper officers aforesaid in his answers, uch captain or matter, for every such offence, shall forseit and pay the sum of Five Bundren Doubles.

tars.

(Seer. 8. And if any verion or perions whatfoever (the Refident Phylician, &c. excepted) that
go on board any veriel, before the mailer thereof
has received a certificate of health in the manner
directed, every perion to offending, thall pay the
un of one number dollars.

IT being absolutely necessary that the foregoing fections should be punctually complied with, the subscriber, in compliance with his duty, must exact a rigorous observance of the same, or else be under the necessary of putting the laws in force.

Wish ALLEN, Health Officer of the Port of I biladelphia.

July 14.
