Lancaster, Harrisburg Carlisle, Shippensburg and Sunbury STAGES.
THE public are requested to take notice, that the partnership which has for some time subsisted between Mathias Slough of Lancaster, and William Geer, is now dissolved; but, not as Mathias Slough intimates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 19th December last, a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippensburg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messrs. Reily, Weed and Witmer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The above company, who are amply provided with carriages, horses, and every appurtenance to render the passage safe and commodious, inform those who wish to patronize and encourage the undertaking, that they can take their seats at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburg, Carlisle and Shippensburg. The fare as hitherto established.

For the further accommodation of the public, a Stage will start every Wednesday from the house of Samuel Eldred, at Harrisburg, arrive at Sunbury in Northumberland county every Thursday, and return from thence and arrive at Harrisburg every Saturday, so that passengers declined for Lancaster or Philadelphia, may proceed on Mondays.

WILLIAM GEER.
Lancaster, Jan. 27, 1797.

N. B. This Line of Stages starts from the house of William Perce, in Lancaster, on every Tuesday and Saturday morning at 6 o'clock, proceeding to the westward; and from the house of Samuel Eldred in Harrisburg every Wednesday morning, on the same evening arrives at Patrick Cochran's in Shippensburg, and returns from thence on every Thursday; performing the same routine daily as in its tour from Philadelphia.

CAUTION.
WHEREAS a combination of men in this country have undertaken to enrich themselves, by fabricating titles to sundry valuable tracts of land, the property of gentlemen living in New York, Philadelphia, London and Paris, for which tracts of land large sums of money have been paid to those fraudulent men, by innocent purchasers. It is therefore just that public information should be given, to the end, that the injured may seek redress while the men have property, and are to be found. Those who have been discovered are Truman Harrison, Joseph Witcomb, Jaid now to reside in the county of Saratoga; Thomas Kelly and several others who go under fictitious names. It is supposed that the lands offered for sale on those fabricated titles, are at least worth fifty thousand dollars. Such as we have actual knowledge of are as follows: Lots No. 11 and 22, Otsego patent, thousand acres each, the actual property of William Dellwyn, now of London; lots No. 58 and 64, same patent, thousand acres each, the property of Mr. Chaumont, now of Paris, and James Averill and others, of this State. There is some ground to suppose that the lands of Richard Wells and Charles Wharton, of Philadelphia, are under their management.—The Printers will do well to give this place in their papers, as well to caution the public against purchasing those lands, as also to deprive those men in future from imposing on individuals, which their education and address have enabled them to do heretofore. Witcomb has been a shopkeeper of some note in this country.

The following affidavits will set in a clear point of view the wickedness of those men, which when the public have perused, will induce them to exclude the interference of WM. COOPER.

Otsego, July 25th, 1797.
I Thomas Kelly, of the County of Otsego, having been led into an error, by John Witcomb and Truman Harrison, of the same County, to sign a deed to them, for lot No. 58, Otsego patent, which was the property of William T. Franklin now Mr. Chamont's and others; and further the said Joseph and Truman did persuade me to do this against my inclination, which was made out on the 16th day of November, 1793, or set back two years so as to bring it to that time; and further the name of Pardon Starke to that deed was a fictitious name, there being no such person there. To this I make voluntary oath. THOMAS KELLY.
19th July, 1797.

On the 19th July, 1797, came personally before me, Thomas Kelly, the subscriber to the above affidavit, and made solemn oath that it contains nothing but the truth.

ELIHU PHINNEY, Justice of the Peace.
On the 18th July, 1797, came before me Jacob Kibbey, a person by me well known and worthy of good credit, who on his solemn oath did make, that two of the parties abovementioned did make application to him this deponent, some time in the winter of 1796, to make them a deed for two thousand acres of land in the Otsego patent, and promised this deponent a share of the profits, on the sale of said lands, for his going; and that they made application several times for the same purpose, which services this deponent as often refused, declaring to them that he had no right to lands, and could do no such thing; which during attempt on this deponent's integrity he had related among his friends several times, previous to making this affidavit.
JACOB KIBBEY.
Sworn before me,
ELIHU PHINNEY, Justice of the Peace.

Thirty Dollars Reward.
ELOPED from the service of the subscriber, on the 19th instant, a negro man by the name of DICK, about twenty-five years of age, and five feet nine or ten inches high; by trade a carpenter, and is a very lively brisk workman. His countenance is very good.—When spoken to, he converses with ease and confidence, and is pretty sagacious. I purchased the said fellow of Mr. Dubney Minor, in whose name he has been advertised in the Richmond newspapers. During his last runaway trip (last summer) he was employed a considerable length of time, by some person near Dumfries, from which circumstance, I conjecture, he has taken another northern route. I forewarn all persons from giving him employment, of any kind whatever, and masters of vessels and others, from carrying him, out of this State. The above reward will be given if he is taken within forty miles of this city; and an additional sum, in proportion to the distance he may be brought, or the trouble and expence the apprehender may be at, in bringing him to this place.

N. B. His apparel was of the usual negro kind, but he had more cloaths than is customary for them to possess.

THE SUBSCRIBER having been appointed by the Honourable and Minister Plenipotentiary of His Britannic Majesty, General Agent for settling British creditors, and such particular agents as they may specially authorize, in prosecuting their claims before the commissioners for carrying into effect the sixth article of the Treaty of Amity, Commerce and Navigation between His Britannic Majesty and the United States of America, hereby gives notice that he has opened his office at his house the fourth call corner of Chestnut and fifth streets, Philadelphia, where he is ready to receive all claims of instructions for claims with the vouchers and documents thereof, for the purpose of bringing forward the same agreeably to the rules and orders which the board may think proper to prescribe.

And as it will be for the interest of all concerned, that the several claims be so stated, and supported, as to prevent the delay which would arise from the necessity of obtaining further information, or additional materials, from persons residing at a distance, the general agent thinks it his duty to add, (for the direction chiefly of those, who, not having employed particular agents, may leave the prosecution of their claims to his charge and management) that all such claims ought in particular to set forth—

1st. The proper description and situation of the creditor or claimant, and original debtor, respectively.

2d. The date and nature of the original contract or debt.

3d. When, in what manner, and to what extent, the creditor or claimant was prevented or impeded, by the provision, operation or defect of law, the decisions and practice of courts, or restraint of execution, from recovering payment of the debt in question.

4th. The loss and damage incurred or sustained, in consequence of such impediments, whether the same may have arisen from the insolvency, change of situation, or death of the debtor, the loss of legal remedy from lapse of time, or otherwise impairing the value and security of the debt, which would not have occurred if such impediments had not existed.

5th. The particular grounds and reasons on which the claimant maintains, in the terms of the treaty, that "by the ordinary course of judicial proceedings, the creditor cannot now obtain and actually have and receive full and adequate compensation" for the losses and damages so sustained.

The general agent thinks it his duty further to suggest that the several claims ought to be accompanied and supported by the affidavits of the claimants duly sworn and regularly attested, both as to the existence of the debts claimed, and such other circumstances as may be within their own knowledge respectively. And wherever the claimants in stating the nature of their evidence (which must in every instance be the best of which the case is capable) have occasion to refer to the testimony of witnesses, it will be proper to apprise the general agent of the names and places of residence of such witnesses and the facts to be established by their testimony.

Higgins' Specific
FOR THE
PREVENTION AND CURE OF THE
YELLOW FEVER.
EVER since this disease made such ravages in this city and New-York, the author has turned his attention to its causes and cure.—The result of his enquiries has convinced him that the reason why so few persons recover from its attacks, are from its not being well understood, and the consequent wrong method taken to cure it. He is persuaded that the excessive bleeding and mercurial treatment of the Faculty is highly injurious, and that the only rational mode of treatment is by the use of proper acids. Convinced of this he offers his Specific as a certain remedy, if used according to the directions.
