Setween feveral Young Ladies, on improving and interefting subjects. Translated from the Dutch of Madame de Cambon

Tranflated.from the Dutch of Madame de Cambon with alterations and improvements, Printed on fine paper, and neatly bound, Price one doliar. AMIDST the tide of modern Romances, pamting tales of extraordinary diffrefs, or of defperate or artful villainy, which "harrow up the foul," and which it would be for the honor of young ladies to be ignorant of, this little book comes forward to -fo-licit notice, where, in a variety of incidents, not ex-ceeding the bounds of real life, the proper, breaste elegant and natural dignity and importance of the Female ebaratiler is exhibited in an integriting point of view, and prefents examples of real and attainable excel-lence.
