Lancaster, Harrisburgh Carlisle, Shippensburg and Sunbury STAGES.  
THE public are requested to take notice, that the partnership which has for some time subsisted between Mathias Slough of Lancaster, and William Geer, is now dissolved; but, as M. Slough intimates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last, a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyances from Philadelphia to Shippensburg, or any other place.  
Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messrs. Reily, Weed and Wismer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.  
The above company, who are amply provided with carriages, horses, and every appurtenance to render the passage safe and commodious, inform those who wish to patronize and encourage the undertaking, that they can take their seats at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburgh, Carlisle and Shippensburg. The fare as hitherto established.  
For the further accommodation of the public, a Stage will start every Wednesday from the house of Samuel Elder, in Harrisburgh, arrive at Sunbury in Northumberland county, every Thursday, and return from thence and arrive at Harrisburgh every Saturday, so that passengers desirous for Lancaster or Philadelphia, may proceed on Mondays.

Higgins' Specific  
FOR THE PREVENTION AND CURE OF THE YELLOW FEVER.  
EVER since this disease made such ravages in this city and New-York, the author has turned his attention to its cause and cure.—The result of his enquiries has convinced him that the reason why so few persons recover from its attacks, are from its not being well understood, and the consequent wrong method taken to cure it. He is persuaded that the excessive bleedings and mercurial treatment of the Faculty is highly injurious; and that the only rational mode of treatment is by the use of proper acids. Convinced of this he offers his Specific as a certain remedy, if used according to the directions.  
To be had in bottles, at one dollar each, of the inventor Geo. Higgins, Cherry Street, two doors above Ninth street, (late manager of Jackson and Co's Medicine Warehouse, London); by J. L. Higgins' Specific FOR THE PREVENTION AND CURE OF THE YELLOW FEVER. EVER since this disease made such ravages in this city and New-York, the author has turned his attention to its cause and cure.—The result of his enquiries has convinced him that the reason why so few persons recover from its attacks, are from its not being well understood, and the consequent wrong method taken to cure it. He is persuaded that the excessive bleedings and mercurial treatment of the Faculty is highly injurious; and that the only rational mode of treatment is by the use of proper acids. Convinced of this he offers his Specific as a certain remedy, if used according to the directions. To be had in bottles, at one dollar each, of the inventor Geo. Higgins, Cherry Street, two doors above Ninth street, (late manager of Jackson and Co's Medicine Warehouse, London); by J. L. Blanc, No. 216; W. Griffith, No. 177, T. Paro, No. 21, South Third street, T. Siff, No. 55, New street, near Vine street, and J. Gale, No. 36, Race street. Aug. 25. dtwtf
