PEALE'S MUSEUM.

THIS valuable repository of the works of Nature, so well calculated to delight the mind and enlarge the understanding, is opened daily, as usual. It stands in an airy and healthy situation, and free from the epidemic that at present afflicts the city; it may, therefore, be frequented with the greatest safety. As an Amusement, the study of Nature is the most rational and pleasing; as a Science, the most sublime and instructive. It elevates the mind and expands the heart. They who "Wish Nature's works can charm, with God himself hold converse." Many interesting additions have lately been made to this Museum; and the feathered tribe, containing a variety of the most rare and beautiful subjects, is now very advantageously arranged. Warren Figures of Men large as life (some of them cast from nature) are here dressed in their proper habits, and placed in attitudes characteristic of their respective nations. Here may be seen the North American Savage, and the Savage of South America—a Laboring Chinese, and the Chinese Gentleman—the foxy African, and the Kamfischadale—with some Natives of the South Sea Islands. The immense variety and interesting diversity which this Museum offers to the view, may be seen but cannot be described with full effect. Price only 1/4th of a dollar.

Translated from the Dutch of Madame de Cambron with alterations and improvements, Printed on fine paper, and neatly bound, Price one dollar.

AMIDST the tide of modern Romances, painting tales of extraordinary distress, or of desperate and artful villainy, which "harrow up the soul," and which it would be for the honor of young ladies to be ignorant of, this little book comes forward to solicit notice, where, in a variety of incidents, not exceeding the bounds of real life, the proper, beautiful and natural dignity and importance of the Female character is exhibited in an interesting point of view, and presents examples of real and attainable excellence. The publisher was so much pleased with the perusal, that he was persuaded he should do a pleasing service to the community by sending it in circulation. August 24.

Lancaster, Harrisburg Carlisle, Shippensburg and Sunbury STAGES.

THE public are requested to take notice, that the partnership which has for some time subsisted between Mathias Slough of Lancaster, and William Geer, is now dissolved; but, as M. Slough intends to retire without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last, a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyances from Philadelphia to Shippensburg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messrs. Reily, Weed and Wimer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert. The above company, who are amply provided with carriages, horses, and every appearance to render the passage safe and commodious, inform those who wish to patronize and encourage the undertaking, that they can take their seats at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburg, Carlisle and Shippensburg. The fare as hitherto established.
