STAGES.

THE public are requested to take notice, that the partnership which has for some time substituted between Mathias Slough of Lancaster, and William Geer, is now dissolved: but, not as M. Slough insinuates to the public without just cause; as will more sully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last, a recital of which is not now deemed necessary. Any gentleman who wisses to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippensurg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messes. Reily, Weed and Witmer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The above company, who are amply provided with earriages, horses, and every appurtenance to render the passage safe and commodious, inform those wno wish to patronize and encourage the undertaking, that they can take their seas at George Weed's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburg, Carlisse and Shippensburg. The fare as hitherto established.
