Lancaster, Harrisburgh Carlisle, Shippensburg and Sunbury STAGES. THE public are requested to take notice, that the partnership which was for some time subsisted between Matthias Slough of Lancaster, and William Geer, is now dissolved; but, not as M. Slough intimates to the public without just cause; as will more fully appear by a letter on the subject from M. Slough to W. Geer, dated the 29th December last, a recital of which is not now deemed necessary. Any gentleman who wishes to be more circumstantially informed of the merits of this business, by applying to W. Geer may have the perusal of M. Slough's letter, and then can be at full liberty to determine whether or not W. Geer is not perfectly justifiable in attaching himself to any other person in the prosecution of the Stage conveyance from Philadelphia to Shippensburg, or any other place.

Now from the liberal and generous support the public were pleased to confer on the first effort in this business, William Geer, in conjunction with Messrs. Reily, Weed and Wirtmer, is determined to prosecute and carry it on, with every care, attention and dispatch that a zeal to oblige the public can possibly exert.

The above company, who are amply provided with carriages, horses, and every appearance to render the passage safe and commodious, inform those who wish to patronize and encourage the undertaking, that they can take their seats at George Weerd's, the sign of the White Horse, Market Street, Philadelphia, on every Monday and Friday, to proceed to Lancaster, Harrisburgh, Carlisle and Shippensburg. The fare as hitherto established.

For the further accommodation of the public, a Stage will start every Wednesday from the house of Samuel Elder, in Harrisburgh, arrive at Sunbury in Northumberland county, every Thursday, and return from thence and arrive at Harrisburgh every Saturday, so that passengers destined for Lancaster or Philadelphia, may proceed on Mondays.

Lancaster, Jan. 27, 1797. N. B. This Line of Stages starts from this house of William Ferrer, in Lancaster, on every Tuesday and Saturday morning at 6 o'clock, proceeding to the westward; and from the house of Mr. Samuel Elder in Harrisburgh every Wednesday morning, on the same evening arrives at Patrick Cochran's in Shippensburg, and returns from thence on every Thursday; performing the same routine daily as in its tour from Philadelphia.

WILLIAM GEER. N. B. The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the Lottery.

SAMUEL BLODGET. Tickets may be had at the Bank of Columbia; of James Wells & Co. Baltimore; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wells, Cooper's Ferry. mwf

The printers in the United States, are requested to insert the following Observations in their papers, by which the public will be served, as well as their obedient servants.

B. LINCOLN, Superintendent of Light-Houses, State of Massachusetts. BY order of the United States, a Light House has been erected at the Clay Islands, on Cape Cod; the lamps in which are to be lighted on the 15th inst. The light house is erected on land elevated about 150 feet, which with the elevation of the Lantern makes the whole height 200 feet above high water mark. In order that this Light may be distinguished from the Boston and other Lights on our coast, an Eclipse is erected, which will revolve around the Lamps once in 30 seconds so that the light will be nearly excluded from the eye of the approaching mariner about thirty seconds, in one revolution of the eclipse. To render the benevolent designs of Congress as extensively useful as possible, the Marine Society in Boston, by a large Committee from their body, whose views have been seconded by others, have taken such distances and bearings as they thought necessary; which observations giving light and safety are added for the benefit of all interested--and are as follows--

Vessels outward bound, from Boston Light-house, and would wish to fall in with Cape-Cod the course is S. E. distance 15 leagues, thence 3 leagues to the Light house. When up with the Light-house and it bears S W 2 leagues distance, you then steer S S E which will carry you out of the fourth channel.

Vessels inward bound, and fall in with the back of Cape-Cod, bring the Light to bear SW 2 leagues distance, then you may steer WNW for Boston Light-house.

If you would wish to go into Cape Cod harbor, you may keep the stage aboard about a mile distant, where you will have to fathoms water. There is a bar lies off the back of the Cape, about half a mile from the shore.

When up with Racepoint, which is very bold, and about three leagues to the westward of the Light-house, and may be known by a number of fish houses on it, from 1 to 3 miles to the southward of Racepoint, is what is called Herring Cove, where you may have good anchoring half a mile from the shore, the wind from N or N E, 4 or 5 or 6 fathom water.

If bound into Cape Cod harbor, your course from Racepoint to Wood end, is S S E 6 miles distance, bring the light to bear E by N and run for it about two miles, you will then be clear of Wood end--then you must steer N E until the light bears E by S--then run N W for the harbor, until you have from 4 to 3 1-2 fathoms water, where you have good anchoring, the Light then will bear E by S 1-2 S or 6 miles distance.

In running from the Race point to Wood End--after you pass the Black Land or Hummucks, you will come up with a low sandy beach, which forms the harbor; extending between 2 and 3 miles to Wood-end, which is difficult to be distinguished in the night--It is very bold--you will have 25 fathom water within half a mile of the shore.

In beating into Cape-Cod harbor, you must keep the eastern shore aboard, until you get into 5 fathom water. Stand no farther to the westward than to bring the light to bear E by S as there is a long spit of land runs off from the western shore, which being steep, being your within 11 fathoms water within 2 fathoms throw of shore.

In case it blows so hard that you cannot beat in the harbor, you will have good anchoring without, from 20 to 15 fathom water. Vessels in Boston bay and would wish to put away for Cape Cod harbor, must endeavor to fall in with the Race. If in the night, and you cannot see the land, you must bring the Light to bear E by N and run for it until you have foundings in 14 or 15 fathom water, then steer north east until the light bears E by S then run in N W for the harbor.

At full and change, it is high water off Race Point at 10 o'clock and 45 minutes. Vessels in leaving Cape Cod bound to Boston, should calculate the tide, as the flood lies strong to the fourth west.

He is by trade a Cooper, was brought up when a boy to the farming business, is a good ploughman, understands the care and management of horses, and is a good driver. He has lately been employed in painting a new house and paints well--he is good tempered, and believed to be very honest, sold partly for want of employ, but more for being addicted to liquor--For terms apply to No. 12, Dock Street, near Spruce Street. The Philadelphia, Alton, and Tuckerton MAIL STAGE.

THE proprietors beg leave to inform the public, that they have established a Stage between Philadelphia, Alton, Baffie, Hampton, Sprucewell, and Martha Furnace, Wading River, Jersey Mill, and the town of Tuckerton, in New-Jersey, to go once a week, and are provided with good horses, a comfortable carriage, and a careful driver, for the conveyance of the mail, passengers, and goods. The Stage will start every Thursday, at 10 o'clock, A. M. from Mr. Daniel Cooper's Ferry, and lodge that night at Joel Bodine's, at Longcoming; and on Friday, at 6 o'clock, P. M. arrive at Caleb Evans's, inkeeper, in Tuckerton, distant from the city 54 miles. (from the Atlantic 6, and from the East Groving Plains 7 miles) where are good accommodations for travellers, and where are commodious and safe passage boats provided to convey passengers to Capt. William Warrington's boat, on Tucker's Island, adjoining the Atlantic, where are good accommodations, and a convenient place to take the sportsman who wishes to regulate himself with fishing and fowling, may at this place be highly gratified, there being at almost every season of the year foxes and fish in abundance--The Stage on its return, starts from the afore said C. Evans's in Tuckerton, every Tuesday, at 6 o'clock, A. M. breakfasts at John Bodine's, at Wading River Bridge, lodge that night at Longcoming, and at 1 o'clock, P. M. on Wednesday, arrives at the afore said Cooper's Ferry. It is presumed that no route of an equal distance will be less expensive, or furnish the traveller with a greater variety of amusement, as he will not only have a pleasant sail to the Atlantic from Tuckerton, but have the curiosity of seeing on the road thither a number of capital furnaces and forges, and one fitting mill, incomplete order, and at work; gentlemen, too, who are owners, or factors, of any of the afore said iron works, are solicited to encourage and support this stage (by which they can be so well accommodated) the continuance of which will much depend on their aid. The rates of passengers and baggage are as follows: For a passenger from the afore said Daniel Cooper's Ferry to Tuckerton, including 14 lb. of baggage, Two Dollars; for every passenger per mile, Four Cents--150 lb. of baggage equal to a passenger.
