Salisbury Estate. THE Subscriber, proposing to contract his business, offers this Estate for sale, on moderate terms. On it are one Blait and three Air Furnaces, a complete Roteing Machine, and a very good grist Mill, with two pair of stones; also a good Forge, all in perfect repair, as are all the Water Works connected with these various branches. The Air Furnaces were lately built for the purpose of casting Cannon for this State—There are about two thousand acres of Land, one half of which is under wood, the other very fine arable Land, producing the best Hay and Pasture. The Cannon lately manufactured, three fully proves the excellency of the metal, which is superior to any in this country, and probably equal to any in the world; for not one of sixty-nine guns lately made, although four of the 24 were bored into 32 pounders, have failed on proving. The situation is very eligible, particularly for this branch of manufacture, and a place of arms lying in the state of Connecticut, and only 50 miles from several landings on the Hudson's river, and having every advantage that can result from a plenty of water issuing from a large natural pond, very near the Furnace, and which may be converted into a variety of other beneficial purposes. The purchaser can be accommodated with all the stock and utensils, and have possession on or before the first of June next, and preparation may be made in the meantime for going into blast immediately thereafter, for every part will be delivered in good order, with some coal, Ore, &c. &c. For terms, apply to Mr. Joseph Anthony, in Philadelphia; David Brooks, Esq. one of the Representatives in Congress for this State; Mr. David Waterman, on the premises, or to the proprietor in New York.
