Salisbury Estate.
THE Subscriber, proposing to contract his busi-
ness, offers this Estate for sale, on moderate
terms. On it are one Blast and three Air Furnaces,
a complete Boring Machine, and a very good grist
Mill, with two pairs of stones; also a good Forge, all
in perfect repair, as are all the Water Works con-
nected with these various branches. The Air Furnaces
were lately built for the purpose of casting Cannon
for the State.—There are about two thousand acres
of Land, one half of which is under wood, the other
very fine arable Land, producing the best Hay and
Pasture. The Cannon lately manufactured there,
fully proves the excellency of the metal, which is
superior to any in this country, and probably, equal
to any in the world; for not one of sixty-nine guns
lately made, although some of the 24 were bored
into 32 pounders, have failed on proving.—The situ-
ation is very eligible, particularly for this branch of
manufacture, and a place of arms lying in the State
of Connecticut, and only 30 miles from several land-
ings on the Hudson's river, and having every advan-
tage that can result from a plenty of water issuing
from a large natural pond, very near the Furnace,
and which may be converted into a variety of other
useful purposes. The purchaser can be accommodat-
ed with all the stock and utensils, and have possession
on or before the first of June next, and preparation
may be made in the mean time for going into Blast im-
mediately thereafter, for every part will be delivered
in good order, with some coal, Ore, &c. &c. For
terms, apply to Mr. Joseph Anthony, in Philadel-
phia; David Brooks, Esq. one of the Representatives in
Congress for this State; Mr. David Waterman, on
the premises, or to the proprietor in New-York.

MUSIC.
F. L. LENZ,
Teacher of Vocal and instrumental Music,
RETURNS his sincere thanks to the Ladies and
Gentlemen, from whom he received a very
liberal encouragement since his residence in this city,
and respectfully informs his friends and the public
generally, that, in consequence of the request
of some of his friends, he has opened a Musical
School at his house in Spruce Street No. 174, where
he will teach on the Piano forte, Violin, &c. &c.—
He deems it unnecessary to enlarge upon the ad-
vantages of this kind; he will only say, that attention
and zeal are much excited in an assembly, where
numbers are in pursuit of the same object. His
arrangement is such, that an interference of the
different sexes will be avoided. Those Ladies
and Gentlemen who cannot make it convenient to
attend at his school, he will wait upon at their
houses.—Applications will be thankfully received
at his house, where his terms and further particu-
lars may be known.

War-Office of the United States,
January the 1st, 1798.
WHEREAS frauds have been practiced, in
obtaining Warrants for Bounty Lands, due to
the Officers and Soldiers of the late Continental
Army, by the production of forged instruments.
To check in future such impositions, it has been
thought advisable; that all persons, having claims
for bounty lands, whether in their own right, as
legal representatives, or by virtue of any instrument
or deed of transfer, be required to forward their
respective claims to the War Office, on or before
the first day of January 1799 in order that such
claims may be duly examined, adjusted and deter-
mined upon.
To substantiate such claims, a strict observance
of the rules heretofore issued from the War Office
will be indispensable; and in addition to what is re-
quired by the said rules, the certificate of the acknow-
ledgement of a Deed or Power of Attorney, must
also set forth the place of residence and occupation
of the claimant or person making such acknowlegd-
ment; and when the proof of personal knowledge
is by a witness or witnesses, their place or places of
residence must be set forth in like manner.

60 Dollars Reward.
RAN AWAY from the subscriber, on the 24th
of December, 1797, a Negro Man, about 22
years old, by the name of Cato, he is about 5 feet
7 or 8 inches high, minding well proportioned; he
has a very coarse voice, his fore teeth stand very
far apart; there were one or two with him—I
cannot rightly describe the clothes he took with
him, for he took two or three suits; he had on
when he went away, a pair of berry trowlers, a
small worn drab coloured coat, a hair worn wool
hat; he took with him four very good shirts—I
expect he has made for Philadelphia or the Jersey.
Whoever takes up said Negro and secures him, so
that the owner may get him again, shall have the
above reward, paid by me, JOHN MOORE,
Living in Still Pond, Kent county, Maryland.

Contained in No. V and VI of
"The History of the United States for
the year 1796,"
In which the CHARGE of SPECULATION against
ALEXANDER HAMILTON,
Late SECRETARY of the TREASURY, is FULLY
REFUTED.
WRITTEN BY HIMSELF.
This publication presents a concise statement
of the facts means practised by the Jacobins of the
United States to asperse the characters of those
persons who are considered as hostile to their disor-
ganizing schemes. It also contains the cor-
respondence between Mr. Hamilton and Messrs.
Monroe, Muhlenburgh and Venable, on the sub-
ject of the documents aforesaid, and a series of let-
ters from James Reynolds and his wife to Mr. Ham-
ilton, proving beyond the possibility of a doubt,
that the connection between him and Reynolds,
was the result of a daring conspiracy on the part
of the latter and his associates to extort money.
