Review, July 1796. English Exercises, English Exercises,

Adapted to the Grammar larely published by Lindley Murray, consisting of exemplification of the parts of speech, instances of salfo orthography, violations of the rules of syntax, defects in punctuation, and violations of the sules respecting perspicuity and accuracy, designed for the benefit of private learners, as well as for theuse of schools.

"We have been much pleased with the perusal of these Exercises. They occupy with distinguished excellence a most important place in the science of the English language; and as such, we can warmly recommend them to the Teachers of Schools, as well as to all those who are desirous of attaining correctness and precision in their native tongue."
