Bakenridge—for sale

IT consists of 90 acres, almost all of which is a fine rich Meadow, (the residence of the late Earl of Sterling). It may be conveniently divided into five farms, four of which are bounded on the East by the river Paick. There are on it a number of buildings, forming a square of nearly three acres—The dwelling house is a very convenient one, and a small expense would put it in complete repair. The orchard consists of 1000 fine bearing engrailed Apple Trees—and there is another part of land tract near 300 other Apple Trees—as also a great variety of other fruits, particularly Cherries of the best and most delicious kinds. Also, a great number of beautiful Exotics and Forest Trees, that add to the beauty and convenience of the place. Its situation is about 18 miles from the towns of Newark and Elizabeth: 10 do. from Morris-Town, and 12 from Springfield—it is wooded and watered. To save trouble, the price is five pound pr. acre in cash, on delivery of the deeds. Please to enquire of T. McEUN & Co. No. 78, Chestnut street. eodf February 2.

Salisbury Estate.

THE Subscriber, proposing to contract his business, offers this Estate for sale, on moderate terms. On it are one Blast and three Air Furnaces, a complete Boring Machine, and a very good grist Mill, with two pair of stones; also a good Forge, all in perfect repair, as are all the Water Works connected with these various branches. The Air Furnaces were lately built for the purpose of casting Cannon for this State—There are also two thousand acres of Land, one-half of which is under wood, the other very fine arable Land, producing the best Hay and Pasture. The Cannon lately manufactured there, fully proves the excellency of the metal, which is superior to any in this country, and probably equal to any in the world; for not one of sixty-nine guns lately made, although some of the 24 were bored into 32 pounders, have failed on proving. The situation is very eligible, particularly for this branch of manufacture, and a place of arms lying in the State of Connecticut, and only 50 miles from several Ladings on the Hudson river, and having every advantage that can result from a plenty of water falling from a large natural pond, very near the Furnace, and which may be converted into a variety of other useful purposes. The purchaser can be accommodated with all the Stock and utensils, and have possession on or before the 1st of June next, and preparation may be made in the meantime for going into Blast immediately thereafter, for every part will be delivered in good order, with some Coal, Ore, &c. &c. For terms, apply to Mr. Joseph Anthony, in Philadelphia; David Brooks, Esq. one of the Representatives in Congress for this State; Mr. David Waterman, on the premises, or to the proprietor in New-York. WILLIAM NEILSON. Dec. 1.
