Military Colours. At G. GULLAGER'S Portrait and Ornamental Painting Rooms, No. 30, South Fourth, next to Chestnut Street, opposite the Friends' Meeting.

PAINTING on silk for Military and other ornamental purposes (in a manner peculiar to himself) durable, not to be injured by the weather, which for elegance of design, truth and beauty of colouring, neatness and masterly execution, has not been equalled by George Rutter and Co. FLAGS and DRUMS Furnished with all possible dispatch, on the most reasonable terms.

Ornamental Painting, Signs, Fire Buckets, Cornices, &c. &c. executed in silk (not that superb style of modern elegance peculiar to G. R.) but in a workman like manner, peculiar to an artist master of his profession. Mr. GULLAGER, from a number of year's experience in Europe and this country, flatters himself that professional talents, punctuality, and reasonable demands, will meet the entire approbation of those gentlemen who will please to call at his Painting Rooms. \$6w may 5.

NOTICE. P. S. Gentlemen in town and country, wishing for a supply of Colours and Drums, painted in a masterly manner, will no doubt feel themselves obliged for the kind caution given by George Rutter and Co. not to trust self-flattering advertisements, but examine the work executed by both parties.—One view will satisfy them where the superiority lies.—We the (signing or good name) George Rutter & Co. do hereby discover the requisites for the contrasting talents of Henry Frailey, at Germantown. may 10.

Military Colours, PAINTED ON SILK—BY GEORGE RUTTER & Co, Portrait and Ornamental Painters, IN a silk which will endure the hardships of the weather without injury, and which for neatness and exactitude of colouring cannot be surpassed in this city.

FLAGS AND DRUMS Furnished with dispatch, on the most moderate terms. Portraits, Ornamental Paintings, Signs, fire-buckets, &c. accomplished in that superb style of modern elegance, which Mr. Rutter pledges himself from 20 years experience in this city will meet the entire approbation of his friends and the public.

In the Military Line, A variety of specimens may be seen at their Painting Room, Norris's Court, back of the New Library. may 3. d6w

NOTICE. HAVING observed an advertisement of C. Gullager, in terms derogatory of our professional abilities, we have to request the public not to be imposed upon by foreign artists; but to decide upon the merits of each by a comparison of the work executed by both, as it is a mode almost universally adopted by them to invalidate the talents of established artists, with a view of deceiving the public, and engrossing that business which their professional knowledge in no wise entitles them to. Well knowing that public opinion must govern, we flatter ourselves that the work executed by us will convince them of our great superiority over Mr. Gullager in every branch of portrait and ornamental painting, and thence the necessity of judging for themselves.

N. B. In future no attention will be paid to this self-flattering advertisement of Mr. G. Any person wishing a supply of FLAGS and DRUMS will please apply to GEO. RUTTER and Co. Norris's Court, or HENRY FRAILEY, Germantown. \$6w may 8.
