Patent Ploughs,

TO be sold for cash by Joseph Salter at Atfion Richard Wells, Cooper's Ferry—Jonathan Harker, Woodbury—and Jesse Evans, Lumber-
ton. Those who have used them give them the preference to any other kind, as they require less team, break the ground better, are kept in order at less expence and are sold at a cheaper rate—the plan is much simplified and consists of but one piece of cast iron, with the handles and beam of wood; they may be fixed with wrought lays and coulters to be put on with irons and taken off at pleasure
Patent rights for vending with instructions for making them may be had by applying to John Newbold, or the subscriber No. 212 North Front-street.
Who has for Sale,
