

PROMOTERS OF LITERATURE.

THE managers of the Beula Seminary, having resolved to dispose of the following property by way of LOTTERY, in order to affix them in erecting a convenient building for the accommodation of the hundred students, and the necessary professors in the different departments of science—do offer for sale three hundred and fifty lots in BEULA, each fifty-eight feet by one hundred and twenty-five, at twenty dollars per ticket, each ticket entitled to a lot to be determined by ballot; ten dollars to be paid on receipt of the ticket, and the remaining ten on the delivery of the deed. The ballot to take place before impartial men, as soon as the whole number of tickets are sold.

The managers, anticipating the difficulty of obtaining cash for the whole, have resolved to receive an equivalent, for some of the lots, in select books; philosophical apparatus, or in produce and materials for building, delivered on the spot.

It may be observed, that the value of prizes in this lottery will be more than double the amount of all the tickets; for 350 lots, would at their average estimation, produce at least 15,750 dollars; whilst, according to the present proposals, the sum obtained for them will be only 7,000 dollars. Tickets may be had during this winter, of Morgan J. Rhees, president of the board of managers, no. 177, Fourth Second-street, Philadelphia; who will receive proposals and plans for the erection of the building. It is intended to be of brick or stone; its situation on the summit of a gradual rising eminence, commanding an extensive prospect of the surrounding country; an observatory to be on its top.

Land and out lots in the vicinity of the Town may be had on moderate terms by applying as above. Mechanics and laborers, of good morals will meet with encouragement. Jan. 19.

Canal Lottery No. II.

WILL be finished in the course of the present month. The wheel is upwards of 80,000 dollars richer in proportion than at the commencement of the drawing, and only 3,700 tickets remain undrawn—Tickets 12 dollars each, to be had at William Blackburn's Lottery and Broker's office, No. 68, Fourth Second Street, until Saturday the 6th instant, after which day's drawing they will be 13 dollars, and will rise considerably at the close of every future day's drawing.

To be sold on moderate terms, A HANDSOME SITUATION FOR BUILDINGS,

TWENTY miles due north from Philadelphia on the great post and stage road, leading from thence to Easton and Bethlehem. It is high, airy and beautiful, commanding an extensive prospect, especially on the fourth side—altogether also, with any quantity of land contiguous, from 1 to 100 acres, arable, meadow and wood-land. On this land, about 50 poles distant, is a never-failing spring of pure water. At the spot, a well has been dug, but not finished: some collections of stones, bones and faunalia from an house, were also made, a considerable time ago, and will be sold or not, at the option of the purchaser of the lot. Let tradesmen, whose business requires a public health—let citizens, who wish a retreat for health, for pleasure or repose, apply to the subscriber near the premises.

NATHANIEL IRWIN.

Nehaminy, March 4, 1799. Should the lot be purchased by a citizen of Philadelphia, whose business, or distance may render it inconvenient, for him to superintend the erection of suitable buildings, the subscriber will have no objection to erect such, either by contract of an agent for the purchaser, or N. J.

One Hundred Dollars Reward.

RAN away from the subscribers, living in Sumner county, state of Maryland, on the 26th of December last, two Negro Men, George and Randal—George is about five feet high, twenty-two years of age, and of a yellow complexion—had on when he went away a dark cloth coat, kersey breeches and white yarn stockings; he is a pretty good player on the fiddle. Randal is about five feet two inches high, twenty years of age, and of a yellow complexion, has a loud hoarse voice, and is a good deal bow-legged; he pretends to be something of a cobbler—had on when he went away a fustian coat, home-made kersey breeches and white yarn stockings—There is no doubt, but they will change their clothes as well as their names—they having been taken up on the 29th of December last at Duck-creek, in the state of Delaware, and committed by John Cole, Esq. (by the names of Stephen and Charles) to the care of John M'Wherts and Thomas Kerker, from whom they made their escape—Whoever apprehends the above negroes, and has them secured in jail, so that the subscribers may get them again, shall receive the above reward, or fifty dollars for either.
