Building and Garden Lots,
CONTIGUOUS to, and at a small distance from the city, to be sold at the coffee house in Second street, on Wednesday the 20th of March, at 6 o'clock in the evening, containing from about 1-4 of an acre to about 4 acres each. The small lots fronting on Vine and Callowhill streets, on the west side of Schuylkill Second street, and the large lots containing whole or half or quarter acres, some of them bounded on the west by Schuylkill and the upper ferry road including some fine quarry lots on Schuylkill: the whole containing about 120 acres, and formerly known by the name of Springbury; bounded on the north by Francis street, extending from the Ridge road to Schuylkill, crossing the canal, on which several of the lots will give fronts.
The situation of many of the large lots is on high ground, commanding beautiful views of the Schuylkill, supposed to be sufficiently detached to escape any unfortunate disorder which may be prevalent in the city.—The terms will be made known at the time of the sale.
N. B. Maps of the lots are fixed up at the middle and upper ferries on Schuylkill, at Seybr's Tavern, in Second street, Northern Liberties; at Ogden's tavern in Chestnut street, and at the coffee house.
The convenience of stone for the premises will prove very advantageous to purchasers.
CONNELLY & Co. auc'ts.

Postponement.
The uncommon severity of the weather having prevented many persons from viewing the lots above described, the sale is postponed until Saturday the 20th April next, when it will be held on the premises, at 2 o'clock in the afternoon.
The terms will be cash for those lots which are 50 feet, and 49 and 48 feet front, and for those of a larger size, one half the cash to be paid down and the other half in six months from the day of sale.

TAKE NOTICE,
THAT I am to be paid on such terms, that the purchaser need not advance any cash, unless he pleases, till it is earned by my services, provided no accident happens me; or, if you please, I am to be farmed out for two years, and not less. I am a bright bay, full 15 1/2 hands high, of noble descent, my name is TRIMMER. I was got by Hall's imported horse Eclipse, my dam, purchased by Doctor Hall, was got by the imported horse Slim; my grand dam was got by Old Hiccu; my great grand dam by Takers Othello out of Selima, &c. &c. as will more fully appear by William Lyle's attested certificate which I raised me. My character as a racer is well established; I won the colt's purse at Bladesburg of twenty guineas; I won a fifty guinea purse at Baltimore, a fifty guinea purse at Annapolis and a fifty guinea purse at Hagerstown. I never lost a race but the last I run at Alexandria, which was owing to my being badly food, as I lost all my plates before I got in. I am in fine plight, found in every respect; my offspring are in great repute, some of which are now in training for the turf—procure me good stands and entertainment and I am able to earn one thousand dollars per annum.
Any person inclining to buy or rent may know the terms by applying to John Carnan (Lovehall) Cecil county and State of Maryland, eight miles south of Elkton.

JACOB PERKINS,
HAVING invented an effectual check for detecting counterfeit Bank Paper, which has received the sanction of one Bank, and the approbation of the undersigned eminent artists, and having obtained a patent, securing to him, and to his assigns, the exclusive right of the invention, hereby offers to his fellow citizens the privilege of using it upon terms, to be agreed on between him and any person disposed to avail themselves of a guard against counterfeiters.
THE undersigned having examined Jacob Perkins' new invented method to detect counterfeit Bank paper, do approve of the plan, it being impossible to engrave or sink two plates perfectly alike, without the original die or hub, the counterfeiter would find it impossible to make an impression which would perfectly gage with the check from the original die.
