There are on the premises a great variety of fruit and ornamented trees. The situation of these Lots in a very elevated and improving part of the city, renders them an object highly worthy of the attention of those who are desirous of building. The terms of payment will be one fourth cash, one fourth in 60, one fourth in 90, and one fourth in 120 days. BENSON & YORKE, Auctioneers. dtdf April 11.

Sales at Auction, On Saturday the 20th April, at 2 o'clock P. The situation of many of the lots is on high ground, commanding views of the Schuylkill, and supposed to be so much detached from the built parts of the city, as to be out of danger in case of an unhappy return of the fever. Maps shewing the division of the ground, may be seen at the Coffee-house, at Ogden's tavern in Chestnut-street, at Sybert's tavern in the Northern Liberties, and at the Middle and Upper Ferries on Schuylkill. The abundance of stone, for building, on part of the ground, will prove very advantageous to purchasers, as it is proposed to sell at the same time those large quarries on the east side of the Schuylkill, near and above the bridge. The terms will be cash for the lots of 49 1-2 and 50 feet front, and for those of a larger size one half cash immediately, and the other half to be paid in six months from the day of sale. William, about 5 feet 5 or 6 inches high, a yellowish complexioned fellow, about thirty years of age, formerly the property of doctor William Matthews, he has been very much given to running away, and has been so often described in the public papers within this twelve months that any further description of him seems needless.—Jacob, about 6 feet high, and about 32 years of age, of a common Negro complexion, down look, his little finger of his left hand stands straight, occasioned by the cut of a felle. Patt, the wife of said Jacob, about 27 years of age, a small light made woman of a yellowish complexion, with thick lips for an American of her stature, she is a very good needle woman, and spins on either small or great wheel, and is very handy in any common house work.—Two children of the said Jacob's and Patt's, the one a male child about four years old, the other a female child about two years old. The above described Negroes took with them, besides their own wearing apparel, three coats, two of which were lincey cloth of a light grey color, both new; one of the two was a great deal too large for either of the said fellows; the other coat of brown cloth, half worn; three under jackets, one a velvet, another a drab, the other a light colored lincey cloth do, one new pair of calf skin shoes, lined with linnen and bound with leather, one pair of boots remarkably large in the legs, several pairs of stockings and a silver watch, all stolen: their own wearing apparel as follows—William had on a light horse regimental coat worked with silver twill, (which coat he had when he was brought home to us the first of February last, a round fawn jacket (blue) thickset breeches, patched with corduroy in the fridre, with other necessary clothing. Jacob, two lincey cloth coats, lead colored, one new the other half worn, blue lincey cloth jacket, half worn, two pairs of lincey cloth trowsers, of a lead colour, the one new the other half worn, tolerable good shoes and stockings. Patt has every day clothing, and her children wore home-made linnen and lincey, her other clothing not so well known; it is uncertain which course they may take, as William is such an experienced coarser.
