Six whereof contain 28 and one 30 feet, on the fourth side of Chestnut Street, being bounded on the west by Tenth Street, and extending in depth from Chestnut to George Street, 235 feet.

On one of these lots there are two Frame Houses, which rent for about £ 35 per annum; and on another there is a good Brick Building, of two stories, which with the adjoining garden rents for 200 dollars per annum. There are on the premises a great variety of fruit and ornamented trees.

The situation of these Lots in a very elevated and improving part of the city, renders them an object highly worthy of the attention of those who are desirous of building.

The terms of payment will be one fourth cash, one fourth in 60, one fourth in 90, and one fourth in 120 days.

BENSON & YORKE, Auctioneers. April 11.

Sales at Auction. On Saturday the 20th April, at 2 o'clock P. M. on the premises, Sundry Building and Garden Lots,

Some of 2 1/2 contiguous to, and others at a small distance from the city, containing in all about one quarter of an acre to about four acres each. The small lots front on Vine and Callowhill Streets, near Schuylkill—the large lots front on the fourth side of Neacua Street, on the east side of Schuylkill river, on the west side of Schuylkill, second street, and on intermediate streets—the whole containing about 140 acres, being part of the tract known by the name of Springettsbury.

The situation of many of the lots is on high ground, commanding views of the Schuylkill, and supposed to be so much detached from the built parts of the city, as to be out of danger in case of an unhappy return of the fever.

Maps showing the division of the ground, may be seen at the Coffee-house, at Ogden's tavern in Chestnut Street, at Sybert's tavern in the Nothera Liberties, and at the Middle and Upper Ferries on Schuylkill.

The abundance of stone, for building, on part of the ground, will prove very advantageous to purchasers, as it is proposed to sell at the same time those large quarries on the east side of the Schuylkill, near and above the bridge.

The terms will be cash for the lots of 49 1/2 and 50 feet front, and for those of a larger size one half cash immediately, and the other half to be paid in six months from the day of sale.

One Hundred Dollars Reward. RAN away from the Subscriber, on Tuesday the second of this inst. April, living in Kent county, Maryland, near Chester Town, the following described Negroes, viz. William, about 5 feet 5 or 6 inches high, a yellowish complexioned fellow, about thirty years of age, formerly the property of doctor William Matthews, he has been very much given to running away, and has been so often described in the public papers within this twelve months that any further description of him seems needless.—Jacob, about 6 feet high, and about 30 years of age, of a common Negroe complexion, down look, his little finger of his left hand stands straight, occasioned by the cut of a fishle, Pat, the wife of said Jacob, about 27 years of age, a small light made woman of a yellowish complexion, with thick lips for an American of her stature, she is a very good needle woman, and spins on either small or great wheel, and is very handy in any common house work.—Two children of the said Jacob and Pat's, the one a male child about four years old, the other a female child about two years old. The above described Negroes took with them, besides their own wearing apparel, three coats, two of which were linsey cloth of a light grey color, both new; one of the two was a great deal too large for either of the said fellows; the other coat of brown cloth, half worn; three under jackets, one a velvet, another a drab, the other a light colored linsey cloth do, one new pair of Calf skin shoes, lined with linen and bound with leather, one pair of boots remarkably large in the legs, several pairs of stockings and a silver watch, all stolen; their own wearing apparel as follows—William had on a light horse regimental coat worked with silver twill, (which coat he had when he was brought home to me the first of February last), a round fainer jacket (blue) thicker breeches, patched with corduroy in the fridre, with other necessary clothing. Jacob, two linsey cloth coats, lead colored, one new the other half worn, blue linsey cloth jacket, half worn, two pairs of linsey cloth trowsers, of a lead colour, the one new the other half worn, tolerable good shoes and stockings. Pat had every day clothing, and her children wore home-made linen and linsey, her other clothing not so well known as is uncertain which course they may take, as William is such an experienced coarser.

Any person or persons apprehending said negroes or founding them, so that their master may get them again, shall be entitled to the above reward, or in proportion for either of them, that is to say 40 dollars for each of the fellows, and twenty dollars for the wench and children, and if brought home, all reasonable charges paid by
