JACOB PERKINS,

HAVING invented an effectual check for detecting counterfeit Bank Paper, which has received the sanction of our Bank, and the approbation of the undersigned eminent artists, and having obtained a patent, securing to him, and to his assigns, the exclusive right of the invention, hereby offers to his fellow citizens the privilege of using it upon terms, to be agreed on between him and any person disposed to avail himself of a guard against counterfeits.

THE undersigned having examined Jacob Perkin's new invented method to detect counterfeit Bank paper, do approve of the plan, it being impossible to engrave or sink two plates perfectly alike, without the original die or hub, the counterfeiter would find it impossible to make an impression which would perfectly gage with the check from the original die.

ROBT SCOT, Engraver & Die sinker JAMES SMITHER, Engraver. JAMES AKIN, Engraver. The terms may be known by applying to No. 11, South 3d street. March 23. 22wif
