G. SHAW,

Respectfully informs the public, he has received

ROBERT JOHNSTON,
Apothecary, No. 20, Green firest, Soho, London, a fresh and very considerable supply of his highly eltermed Medicine.

A WARE of the depredations made on every public medicine of established repute and extensive sale, R. Johnston, obtained the King of England's Patent for his invention, not "to recommend" but "to distinguish," Whitehead's Essence of Mustard from SPURIOUS IMSTATIONS.

"Five years have now elapfed fince Mr. Johnston first made known to the world this very extraordinary medicine; duting this short period, its elsicacy has born so clearly demonstrateed that its sale has far exceeded any former example; comparitively there are few families in England or the United States which have not either heard of or experienced its beneficial effects and with heartfelt saiss as the had the happiness to declare Whitehead's Essence of Mustard has cared more persons afflicted with Rocumatisms, Gout, Lumbage, Palsy, Complaints of the Stomach and other Pain-SPURIOUS IMITATIONS. plaints of the Stomach and other Pain-

plaints of the Stomach and other Painful Maladies.

Than all the Medicines ever before, made public, indeed, the inftances, or its efficacy and letters of acknowledgment from "the molt effectable characters" are fo numerous that a large volume could not possibly contain them, it has also obtained the approbation of the molt eminent men of the faculty and is honoured by the if and recommendation of the first families. ife and recommendation of the first families in England, Ireland and America.

A COUNTERFEIT.

A COUNTERFEIT.

R. JOHNSTON has reason to believe a large quantity under the name of "Improved Essence of Mustard," as well as many others has been shipped for America, and considers it his duty to prevent imposition and disappointment.

He therefore requests the afficient to be particular in the purchase of his botties, boxes, labels, and bill of directions which are closely copied, and words "by royal authority," artfully substituted for the words "by the king's patent which may clude common observation.

The Genune is diffinguished by the fignature of R. Johnston, in his own hand writing on each label, and as an additional security is surther figued on the outside wrapper by his only agent for the United States. G. SHAW, Nor 129 Chesnut street, Philadelphia, by whom it is

FOR CHILBLAINS, SPRAINS AND.

BRUISES,

It is a certain and effectual remedy, feldom requiring more than three or four applications.

To the candid and liberal of the FACULTY, R. Johnston respectfully submits the following observations. The Fluid Essence of Mastard, is an embrocation worthy their particular attention, it differs in its nature from all others, and is out of the beaten tract of general practice—
It is an active stimulant, easily controuted; may be either increased or diminished in its strength by the different methods of use, it is both elegant and convenient and is frequently found in the extemporaneous prescriptions of their bretheren in England.

The above Genuine Medicine, as well as many others of the first celibrity may be had by appointment of G. Shaw, of Mr. G. Bailey, Wilmington, Dr. Barrill, Maiden Lane, New-York, Messirs. Bailey and Walker, Charleston, William Black, Salem, (N. J.) Charles Hunitch, Lancaster, A. C. Jorden, Norfolk, John Roberts, do. David Keen, Sweet Springs, Virginia R. Lee, Baltimore, I. & I.
