G. SHAW,

Respectfully informs the public, be has recorded

Robert Johnston,
Apothecary, No. 20, Green flreet, Sohn, L. ndon, a fresh and very considerable supply of his highly esteemed Medicine.

A WARE of the depredations made on every public medicine of established repute and extensive sale, R. Johnston, obtained the King of England's Patent for his invention, not "to recommend" but "to distinguish," Whitehead's Essence of Mustard from SPURIOUS IMITATIONS:

"Five years have now elapsed since Mr. Johnston first made known to the world this very extraordinary medicine; during this short period, its essence has been so clearly demonstrateed that its sale has far exceeded any former example; comparitively there sare seems which have not either heard of or experienced its beneficial essence and with heartfelt satisfaction he had the happiness to declare Whitehead's Essence of Mustard has cured more persons afflicted with Rheumatisms, Gaut; Lumbago, Palsy, Complaints of the Stomach and other Painful Mustadies.

Than all the Medicines ever before made public, indeed, the instances of its essence and

plaints of the Stomesch and other Painful Maladies.

Than all the Medicines ever before made public, indeed, the inflances, of its efficacy and letters of acknowledgment from "the most respectable characters" are so numerous that a large volume could not possibly contain them, it has also obtained the approbation of the most eminent men of the faculty and is honoured by the use and recommendation of the sest families in England, Ireland and America.

A COUNTERFEIT.

R. JOHNSTON has reason to believe a large quantity under the name of "Improved Essence of Mustard," as relt as many other has been shipped for America, and considers it his duty to prevent imposition and disappointment.

He therefore requests the afflicted to be particular in the purchase of his bottles, boxes, labels, and bill of directions which are closely copied, and words "by royal authority," artfully substituted for the words "by the king's patent which may clude common observation.

The Genume is distinguished by the signature of R. Johnston, in his own hand writing on each label, and as an additional security is further signed on the outside wrapper by his only agent for the United States, G. SHAW, No.

FOR CHILBLAINS, SPRAINS AND BRUISES,

It is a certain and effectual remedy, feldom requiring more than three or four applications.

To the candid and liberal of the faculty, R. Johnston respectfully submits the following observations. The Fluid Essence of Mustard, is an embrocation worthy their particular attention, it differs in its nature from all others, and is out of the beaten trast of general prastice—It is an active stimulant, easily controuled; may be either increased or diminished in its strength by the different methods of use, it is both elegant and convenient and is frequently found in the extemporaneous prescriptions of their bretheren in England.

The above Genuine Medicine, as well as many others of the first eclibrity may be had by appointment of G. Shaw, of Mr. G. Bailey, Wilmington, Dr. Barrill, Maiden Lane, New-York, Messes, Salem, (N. J.) Charles Hunitch, Lancaster, A. C. Jorden, Norfolk, John Roberts, do. David Keen, Sweet Springs, Virginia, R. Lee, Baltimore, I. & J. Mantz, Fredericktown, Maryland, G. W.
