TERMS
Of Richard Folwell, in Philadelphia,
FOR SUBSCRIBING TO THE
JOURNALS OF CONGRESS,
FROM THE COMMENCEMENT
Of the American War, in 1774, to the pre-
sent time,
INCLUDING
The Reports of Heads of Departments, of
Committees, and other Official and Pri-
vate Papers of that Body, now first per-
mitted to be made public.

THE work will be printed on a fine paper, and
a new neat type, in large octavo.
Each volume will contain above 300 pages,
neatly bound and lettered.
Uniformity in size, paper, and binding, will be
observed throughout the work; so that, while the
subscribers become possessors of a valuable record,
an ornament may be added to their libraries.
The price to subscribers will be 2 dollars 75 cts.
per volume, in boards, and 3 dolls. whole bound;
but, as the publisher does not intend to print more
than the number subscribed for, a considera-
ble rise on the price may be expected to non-sub-
scribers.
Each volume will contain about one third less
of letter-press than the original edition; but, as the
publisher is not yet enabled to determine the extent
of the Private Journals, which he may be allowed
to make public, he cannot ascertain the number of
volumes which will comprise the work.
Payments to be made on delivery of each
volume.
Subscribers will have at their option, either to
subscribe for the whole of the Journals, up to the
present time, or to those only of the Old Congress
prior to the organization of the Federal Govern-
ment.

IN all countries, the proceedings in the com-
mencement of their governments, are lost in dark-
ness and obscurity, owing to a carelessness in the
succeeding generation, to preserve the public re-
cords, and the attention of the nation, in those rude
ages, being called off from their domestic concerns,
to engage in wars and conquest. Of what infinite
value would the laws of Alfred be, had they been
transmitted to our days? Time, that destroys
every thing, enhances the value of well authenti-
cated public records, and renders them almost in-
estimable. It is hoped, that America will, there-
fore, cheerfully contribute their assistance in trans-
mitting to posterity the labours of their ancestors
—founders of the Columbian nation.
* * * The work will certainly be advanced with
expedition and promptitude. The following will
show the support it has already acquired:
* * * Philadelphia, June 15, 1798.
* To the Honorable the Senate and House of Rep-
resentatives of the United States.
* The MEMORIAL of the Subscribers, Citizens,
&c. of Philadelphia,
* Respectfully sheweth,
* That having, in our respective avocations,
frequent occasions to recur to the Journals of Con-
gress, we experience inconvenience by the scarcity
of them: That we understand that Richard Folwell,
printer, of Philadelphia, has had it in
contemplation to print that public record; and
that he hath obtained partial countenance from
many individuals; but that he has delayed profes-
sing the work, in expectation of encouragement
from government, that may adequately indemnify
him. We, therefore, respectfully solicit, as the
publication is necessary to be disseminated among
public bodies, that Congress will, in their wisdom,
render him such additional encouragement, to that
which he has obtained from private individuals,
as to enable him to proceed with the work, so that
your Memorials may be enabled to purchase cop-
ies of that record for themselves.

G. SHAW,
Respectfully informs the public, he has received
from
ROBERT JOHNSTON,
Apothecary, No. 20, Green Street, Soho, Lon-
don, a fresh and very considerable supply
of his highly esteemed Medicine.
AWARE of the depreciations made on every
public medicine of established repute and
extensive sale, R. Johnston, obtained the King
of England's Patent for his invention, not "to
recommend" but "to distinguish," Whitehead's
Essence of Mustard from
SPURIOUS IMITATIONS.
"Five years have now elapsed since Mr.
Johnston first made known to the world this
very extraordinary medicine; during this short
period, its efficacy has been so clearly demon-
strated that its sale has far exceeded any former
example; comparatively there are few families
in England or the United States which have
not either heard of or experienced its beneficial
effects and with heartfelt satisfaction he had the
happines to declare Whitehead's Essence of
Mustard has cured more persons afflicted with
Racumatism, Gout, Lumbago, Palsy, Com-
plaints of the Stomach and other Pain-
ful Maladies.
Than all the Medicines ever before made
public, indeed, the instances of its efficacy and
letters of acknowledgment from "the most re-
spectable characters" are so numerous that a
large volume could not possibly contain them,
it has also obtained the approbation of the most
eminent men of the faculty and is honoured by
the use and recommendation of the first families
in England, Ireland and America.
A COUNTERFEIT.
R. JOHNSTON has reason to believe a large
quantity under the name of "Improved Essence
of Mustard," as well as many others, has
been shipped for America, and considers it his duty
to prevent imposition and disappointment.
He therefore requests the afflicted to be particu-
lar in the purchase of his bottles, boxes, labels,
and bill of directions which are closely cop-
ied, and words "by royal authority," artfully
substituted for the words "by the king's patent"
which may elude common observation.
The Genuine is distinguished by the signature
of R. Johnston, in his own hand writing on
each label, and as an additional security is fur-
ther figured on the outside wrapper by his only
agent for the United States, G. SHAW, No.
129 Chestnut street, Philadelphia, by whom it is
sold wholesale and retail, in pills and in a fluid
state at one dollar each, box or bottle
FOR CHILBLAINS, SPRAINS AND
BRUISES.
It is a certain and effectual remedy, seldom
requiring more than three or four applications.
To the candid and liberal of the FACULTY,
R. Johnston respectfully submits the following
observations. The Fluid Essence of Mustard,
is an embrocation worthy their particular atten-
tion, it differs in its nature from all others, and
is out of the beaten track of general practice—
It is an active stimulant, easily controlled, may
be either increased or diminished in its strength
by the different methods of use, it is both ele-
gant and convenient and is frequently found in
the extemporaneous prescriptions of their bre-
thren in England.
The above Genuine Medicine, as well as
many others of the first celebrity may be had by
appointment of G. Shaw, of Mr. G. Bailey,
Wilmington, Dr. Barrill, Maiden Lane, New-
York, Messrs. Bailey and Walker, Charleston,
William Black, Salem, (N. J.) Charles Hun-
nitch, Lancaster, A. C. Jordan, Norfolk, John
Roberts, do. David Keen, Sweet Springs, Vir-
ginia, R. Lee, Baltimore, I. & J. Manly, Fre-
dericktown, Maryland, G. W. Mancius, Ala-
bama, Dr. Vanvolingen, New-York, Messrs. Tit-
ford & Son, do. Messrs. Rofs & Douglas, Pitts-
burg, John Webber, Wilmington, James Wil-
son, do. Richard Winter & Co. Savannah, and
in every principal town in the United States.
N. B. The public are desired to enquire for
Whitehead's Essence of Mustard, all others be-
ing a base and spurious imitation.
GEO. SHAW,
120, Chestnut street, where Venders may be
supplied.
"Caution against Counterfeits."
Agents are appointed by G. Shaw in every
principal town of the United States, and there
is no certainty of purchasing the Genuine Es-
sence of Mustard in any part of America, unless
it is signed on the outside wrapper by G. Shaw,
No. 129, Chestnut street, Philadelphia, where
shopkeepers are supplied and a liberal discount
allowed them.
