TERMS

Of Richard Folwell, in Philadelphia,

FOR SUBSCRIBING TO THE

JOURNALS OF CONGRESS,

FROM THE COMMENCEMENT

Of the American War, in 1774, to the present time,

INCLUDING

The Reports of Heads of Departments, of Committees, and other Official and Private Papers of that Body, now first permitted to be made public.

TERMS.

THE work will be printed on a fine paper, and a new neat type, in large octavo.

Each volume will contain above 500 pages, neatly bound and lettered.

Uniformity in size, paper, and binding, will be observed throughout the work; so that, while the subscribers become possessed of a valuable record, an ornament may be added to their libraries.

The price to subscribers will be 2 dolls. 75 cts. per volume, in boards, and 3 dolls. whole bound; but, as the publisher does not intend to print many more than the number subscribed for, a considerable rise on the price may be expected to non-subscribers.

Each volume will contain about one third less of letter-press than the original edition; but, as the publisher is not yet enabled to determine the extent of the Private Journals, which he may be allowed to make public, he cannot ascertain the number of volumes which will comprise the work.

☞ *Payments to be made on delivery of each volume.*

Subscribers will have it at their option, either to subscribe for the whole of the Journals, up to the present time, or to those only of the Old Congress prior to the organization of the Federal Government.

IN all countries, the proceedings in the commencement of their governments, are lost in darkness and obscurity, owing to a carelessness, in the succeeding generation, to preserve the public records, and the attention of the nation, in those rude ages, being called off from their domestic concerns, to engage in wars and conquest. Of what infinite value would the laws of Alfred be, had they been transmitted to our days? Time, that destroys every thing, enhances the value of well authenticated public records, and renders them almost inestimable. It is hoped, that Americans will, therefore, chearfully contribute their assistance in transmitting to posterity the labours of their ancestors—founders of the Columbian nation.

*** The work will certainly be advanced with expedition and promptitude. The following will show the support it has already acquired:

"*Philadelphia, June 15, 1798.*

"The MEMORIAL of the Subscribers, Citizens, &c. of Philadelphia,

"*Respectfully sheweth,*

"That having, in our respective avocations, frequent occasions to recur to the Journals of Congress, we experience inconvenience by the scarcity of them: That we understand that Richard Folwell, printer, of Philadelphia, has had it in contemplation to print that public record; and that he hath obtained partial countenance from many individuals; but that he has delayed prosecuting the work, in expectation of encouragement from government, that may adequately indemnify him. We, therefore, respectfully solicit, as the publication is necessary to be disseminated among public bodies, that Congress will, in their wisdom, render him such additional encouragement, as that which he has obtained from private individuals, as to enable him to proceed with the work, so that your Memorialists may be enabled to purchase copies of that record for themselves.

G. SHAW,

Respectfully informs the public, he has received from

ROBERT JOHNSTON,

Apothecary, No. 20, Green street, Soho, London, a fresh and very considerable supply of his highly esteemed Medicine.

AWARE of the depredations made on every public medicine of established repute and extensive sale, R. Johnston, obtained the King of England's Patent for his invention, not "*to recommend*" but "*to distinguish,*" Whitehead's Essence of Mustard from

SPURIOUS IMITATIONS.

"Five years have now elapsed since Mr. Johnston first made known to the world this very extraordinary medicine; during this short period, its efficacy has been so clearly demonstrated that its sale has far exceeded any former example; comparitively there are few families in England or the United States which have not either heard of or experienced its beneficial effects and with heartfelt satisfaction he had the happiness to declare Whitehead's Essence of Mustard has cured more persons afflicted with *Rheumatisms, Gout, Lumbago, Palsy, Complaints of the Stomach and other Painful Maladies.*

Than all the Medicines ever before made public, indeed, the instances, of its efficacy and letters of acknowledgment from "the most respectable characters" are so numerous that a large volume could not possibly contain them, it has also obtained the approbation of the most eminent men of the faculty and is honoured by the use and recommendation of the first families in England, Ireland and America.

A COUNTERFEIT.

R. JOHNSTON has reason to believe a large quantity under the name of "*Improved Essence of Mustard,*" as well as many others, has been shipped for America, and considers it his duty to prevent *imposition* and *disappointment.*

He therefore requests the afflicted to be particular in the purchase of his bottles, boxes, labels, and bill of directions which are closely copied, and words "by royal authority," artfully substituted for the words "by the king's patent" which may elude common observation.

The Genuine is distinguished by the signature of R. Johnston, in his own hand writing on each label, and as an additional security is further signed on the outside wrapper by his only agent for the United States, G. SHAW, No. 129 Chesnut street, Philadelphia, by whom it is sold wholesale and retail, in pills and in a fluid state at one dollar each, box or bottle

FOR CHILBLAINS, SPRAINS AND BRUISES,

It is a certain and effectual remedy, seldom requiring more than three or four applications.

To the candid and liberal of the FACULTY, R. Johnston respectfully submits the following observations. The Fluid Essence of Mustard, is an embrocation worthy their particular attention, it differs in its nature from all others, and is out of the beaten tract of general practice—It is an active stimulant, easily controuled, may be either increased or diminished in its strength by the different methods of use, it is both elegant and convenient and is frequently found in the extemporaneous prescriptions of their brethren in England.

The above Genuine Medicine, as well as many others of the first celibrity may be had by appointment of G. Shaw, of Mr. G. Bailey, Wilmington, Dr. Barrill, Maiden Lane, New-York, Messrs. Bailey and Walker, Charleston, William Black, Salem, (N. J.) Charles Hunitch, Lancaster, A. C. Jordeo, Norfolk, John Roberts, do. David Keen, Sweet Springs, Virginia, R. Lee, Baltimore, I. & J. Mantz, Fredericktown, Maryland, G. W. Mancius, Albany, Dr. Vansolingen, New-York, Messrs. Titford & Son, do. Messrs. Ross & Douglas, Pittsburg, John Webster, Wilmington, James Wilson, do. Richard Winter & Co. Savannah, and in every principal town in the United States.

N.B. The public are desired to enquire for Whitehead's Essence of Mustard, all others being a base and spurious imitation.

GEO. SHAW.

129, Chesnut-street, where Venders may be supplied.

"*Caution against Counterfeits.*"

Agents are appointed by G. Shaw in every principal town of the United States, and there is no certainty of purchasing the Genuine Essence of Mustard in any part of America, unless it is signed on the outside wrapper by G. Shaw, No. 129, Chesnut street, Philadelphia, where shopkeepers are supplied and a liberal discount allowed them.
