G. SHAW, Respectfully informs the public, he has received from

ROBERT JOHNSTON,
Apothecary, No. 20, Green street, Soho, London, a fresh and very considerable supply of his highly esteemed Medicine.

A WARE of the depredations made on every public medicine of established repute and extensive sale, R. Johnston, obtained the King of England's Patent for his invention, not "to recommend" but "to distinguish," Whitehead's Essence of Mustard from SPURIOUS IMITATIONS.

"Five years have now elapfed fince Mi Johnston first made known to the world the very extraordinary medicine; during this shot period, its efficacy has been so clearly demonstrateed that its sale has far exceeded any form effects and with heartfelt fatisfaction he had the heard of or experienced its beneficial effects and with heartfelt fatisfaction he had the happiness to declare. Whitehead's Essence of Mustard has cured more persons afflicted with Rheumatisms, Gout, Lumbago, Palsy, Complaints of the Stomach and other Pain-

ful Maladies.

Than all the Medicines ever before made public, indeed, the inflances, of its efficacy and letters of acknowledgment from "the most respectable characters" are so numerous that a large volume could not possibly contain them, it has also obtained the approbation of the most eminent men of the faculty and is knonured by the use and recommendation of the sirst families in England, Ireland and America.

A COUNTERFEIT.

R. JOHNSTON has reason to believe a large quantity under the name of "Improved Essence of Mustard," as well as many others has been shipped for America, and considers it his duty to prevent imposition and disappointment.

He therefore requests the afflicted to be particular in the purchase of his bottles, boxes, labels, and hill of directions which are advoked.
