Captain Comte Caramelli, of the Empe ror's regiment of Cuirafiers, arrived here this ror's regiment of Gurathers, arrived here this day as courier from his Royal Highnels the Archduke Charles, with the particulars re-fpecting the fublequent operations of Field Marthal Lieutenant Hotze in the Grifons. The enemy's divisions, which had been driven to the mountains by Golonel Plunket and the column of General Heller, retreated' to Furna, in the defign of efcaping either by Zizers or by Coire. But finding that Field Marshal Lieutenant Hetze occupied those two points, and that he had already posted

two battalions in the latter, they furrendered themfelves prifoners of war. The Total of the prifoners amounts to 1000 privates, and 80 officers; a pair of co-lours has alfobeen taken.

Befides this, in the purfuit after the af-fair of Lucienfleig on the rath, we took four pieces of cannon and the demi-brigade

Is the actual expense 3 dollar, per week? Does any body believe it? For my own part, I flouid be glad to be referred to officers of the Federal Government. Great wits jump, Bache, in the Aurora of the 29th, attempts to treat with ridicule the pointed facts, in the Roman History, which have been lately introduced into this Gazette, to illustrate the designs of the French, and shew that they, like the Romans aim at nothing fliert of universal dominaactual expense incurred by that inflitution for the maintainance of both pay patient and those (the support of which the write and those (the import of which the writer impudently terms charitable gifts to the city and diffricts of Philadelphia) into the bargain.
