Daniel Broadhead, Sec. Gen. of the Land John Hall, Secretary, Francis Johnston, Reg. Gen. office.

The petition of Thomas Stewardson on behalf of himself and the other trustees for the estate of Samuel Caldwell, surviving partner of James Meefe, bearing date Philadelphia, 5th Month 17th 1799, stated as follows, viz. That a certain John Collins had in consequence of fraudulent deeds poll, obtained patents for two certain tracts of land, one situate in the county of Northumberland, surveyed to Samuel Caldwell in pursuance of a warrant dated in 1774; and the other situate now in Luzerne county, surveyed to said Caldwell by a warrant also dated in 1774—and requested that patents might be granted, for the said tracts, to William Crammond, Edward Filgman, John Ashley, and Thomas Stewardson, trustees of the estate of Samuel Caldwell, surviving partner of James Meefe, as the said two tracts were part of the estate of Meefe and Caldwell.

Whereupon the Board having considered the same, ordered; that at least sixty days notice be given in one of the Philadelphia newspapers, and in the Lancaster Journal to the said Collins or his assigns, to appear before the Board on the first Monday in October next, to shew cause if any he or they have, why patents should not issue for the said two tracts to the said trustees agreeably to the prayer of the said petition.

The Gazette.

PHILADELPHIA, TUESDAY EVENING, SEPTEMBER 3.

Mr. GARRIGUES, President of the board of Health, has recovered from his late indisposition.

On Saturday last the ship ORIENTAL, built for Mr. Peter Bight, of this city, was launched from the Ship Yard of Mr. Pifer, at Kensington. The ORIENTAL is one of the largest merchantmen ever built in the United States, measuring 135 feet keel, freight rabbit, and 38 feet beam; is about 1200 tons burthen, and will mount 32 guns, but would very conveniently carry 40.

NEW-YORK, September 2. FEVER.—During the 48 hours ending last night at 8, 9 new cases, and 5 deaths, were reported at the Health office.

We find by an article from Strasburg, of the 29th June; that "Letters from Vienna and Ratisbon state, that the coalition have acknowledged Louis XVIII. as King of France, and have entered into a formal engagement to establish him on the throne of his ancestors."

PETERSBURG, August 27. FIRE!!!

On Saturday morning last, about half after one o'clock, a fire broke out in Robert Bolling's tobacco warehouse at the upper end of Old Street, which, by the time the citizens had assembled at the place, was too much enveloped in flames to admit of extinction—Their attention, therefore, was immediately turned towards saving the tobacco, and we are happy to learn, that out of about twelve hundred hogsheads the public loss is not more than two hundred and eighty. The supposition is, that some bale mortal designedly set fire to this house.

The conduct of the black people upon this occasion, deserves the highest praise. As if prompted by the influence of self interest, they were seen to strain every nerve for the sake of their masters. Quere. Will not a subscription be raised to reward and encourage such of them as particularly distinguished themselves!
