It is handsomely situated for a Summer's Retreat, and well calculated for a Farm, a good soil, healthy situation, and abundantly supplied with lime stone, of the first quality. The conditions of sale will be one third cash, one third payable in six, and the other third in twelve months, with interest and such satisfactory security as may be required. It will either be sold entire, or divided in two or three lots. Fifty acres of choice timber land, consisting chiefly of young chestnut, nearly opposite to the above, in lots of 2 and 3 acres each, for convenience of purchasers;—the intrinsic value of chestnut timber is well known to every farmer that it is unnecessary particularly to describe it. Also, a small lot of one and three quarters acres nearly adjoining, but distinct from the above. Conditions of sale will be one half cash and the other half in six months, with interest and security before mentioned. Persons desirous of viewing the lots previous to the day of sale, may find a Plot of the whole as divided, at the house of Charles Reddick, on the adjoining premises, who will attend and shew the property. SPECULATION, TO BE SOLD, A Public Vendue, on Monday the 23d of September next, at 2 o'clock, P. M. at the house of the Subscriber, living in the town of New-Castle, State of Delaware, a number of valuable LOTS, suitable for building on, being the South square of the flourishing town of New-Castle aforesaid, distant from Philadelphia thirty-three miles. This valuable property is highly capable of improvement, being immediately on the river Delaware, having a number of wharf lots on it; and from the depth of the water (earth and materials for wharfing being easily procured) there is no doubt but wharves would bring a handsome interest. This property consists of five acres more or less, in one body; lays high, and is divided into lots to suit every description of persons.—New-Castle is one of the most healthy and flourishing towns on the continent; and from their increase of trade it has raised property to four times the value it was seven years past.—The number of vessels bound out and in, which stop for supplies of Rock, &c. &c. and the whole carriage of goods between Philadelphia and Baltimore, is now through this place. &c. &c. make it very lively: there is not, at this time, one house to be rented in the place; and the number of applications for houses make it an object for persons to improve. There are a number of elegant and useful buildings now going on, a Public Academy and several private Schools. The malignant Fever has never made any progress, and the Ague scarcely known; the number of children in this place is a convincing proof of the healthiness of it. The prospect of the river Delaware, up and down is delightful; as far as the eye can distinguish you may view the vessels in different attitudes. There is reason to suppose that public piers for the Navy will be built here, as vessels can fall from this place when the river is fast at Philadelphia. The conditions of sale will be easy and made known on the day of sale. Places of public worship, market and mills are very contiguous. JOHN DARRAGH. N. B.—A plat of the above will be exhibited any time previous, as well as on the day of sale. August 26.

Wanted to Employ, A PERSON of Judgment and Integrity to occasionally attend Vendues to purchase Wet and Dry Goods for an extensive Country Store. Proposals sealed, directed to A. B. with the name of some other person mentioned, to whom reference may be had, if necessary, for information relating to the qualifications of the agent, and left with the printer, will be duly attended to. The applicant will mention the No. of the house where he, or she, resides, that a letter directed by post may be regularly received. August 20

PUBLIC NOTICE IS HEREBY GIVEN, Pursuant to the act of Congress passed on the 17th day of June, one thousand seven hundred and ninety six, entitled "an act regulating the grants of land appropriated for military services, and for the society of United Brethren for propagating the gospel among the Heathen;" and the act supplementary to the said recited act passed on the second day of March, one thousand seven hundred and ninety nine—to wit: I. WILLIAM COBBETT HAS JUST PUBLISHED (PRICE 1 DOL. 50 CENTS) THE BAVIAD AND MÆVIAD. By WILLIAM GIFFORD, ESQUIRE. To which is prefixed, A POETICAL EPISTLE TO THE AUTHOR By an American Gentleman.

[In introducing this celebrated work to the Gentlemen and Ladies of America, I have endeavored to give it a dress proportioned to its distinguished merit, and to the taste of those for whose amusement and delight it is intended. No expense has been spared in the publication; and I flatter myself that the work does not yield, either in paper or print, to any one ever published in America.— This edition has an advantage, over some former ones, as it contains by way of notes, the minor productions of the author; and it has an advantage over every other edition, in the Poetical Epistle, which is prefixed to it, and which must be extremely gratifying to every lover of literature in this country, as it is a proof that there are Americans who have the taste to admire, the genius to applaud, and the talents to rival the Geniuses of other nations. Some Copies have been sent on to Mr. Sewall, Maiden Lane, New York, also to Mr. Hill, Baltimore, and to Mr. Young, Charleston. Copies will be sent to Boston and other places, as soon as associations offer.] May 28

TERMS Of Richard Folwell, in Philadelphia, FOR SUBSCRIBING TO THE JOURNALS OF CONGRESS, FROM THE COMMENCEMENT Of the American War, in 1774, to the present time, INCLUDING The Reports of Heads of Departments, of Committees, and other Official and Private Papers of that Body, now first permitted to be made public.

THE work will be printed on a fine paper, and a new cast type, in large octavo. Each volume will contain above 500 pages, neatly bound and lettered. Uniformity in size, paper, and binding, will be observed throughout the work; so that, while the subscribers become possessed of a valuable record, an ornament may be added to their libraries. The price to subscribers will be 2 dollars, 75 cts. per volume, in boards, and 3 dollars, whole bound; but, as the publisher does not intend to print more than the number subscribed for, a considerable rise on the price may be expected to non-subscribers. Each volume will contain about one third less of letter-press than the original edition; but, as the publisher is not yet enabled to determine the extent of the Private Journals, which he may be allowed to make public, he cannot ascertain the number of volumes which will comprise the work. Payments to be made on delivery of each volume. Subscribers will have it at their option, either to subscribe for the whole of the Journals, up to the present time, or to those only of the Old Congress prior to the organization of the Federal Government. IN all countries, the proceedings in the commencement of their governments, are lost in darkness and obscurity, owing to a carelessness, in the succeeding generation, to preserve the public records, and the attention of the nation, in their sagacious, being called off from their domestic concerns, to engage in wars and conquest. Of what infinite value would the laws of Alfred be, had they been transmitted to our days? Time, that destroys every thing, enhances the value of well authenticated public records, and renders them almost inestimable. It is hoped, that Americans will, therefore, cheerfully contribute their assistance in transmitting to posterity the labours of their ancestors—founders of the Columbian nation. The work will certainly be advanced with expedition and promptitude. The following will show the support it has already acquired: "Philadelphia, June 15, 1798. To the Honorable the Senate and House of Representatives of the United States. The MEMORIAL of the Subscribers, Citizens, &c. of Philadelphia, Respectfully presented; That having, in our respective vocations, frequent occasions to recur to the Journals of Congress, we experience inconvenience by the scarcity of them: That we understand that Richard Folwell, printer, of Philadelphia, has had it in contemplation to print that public record; and that he hath obtained partial countenance from many individuals; but that he has delayed prosecuting the work, in expectation of encouragement from government, that may adequately indemnify him. We, therefore, respectfully solicit, as the publication is necessary to be disseminated among public bodies, that Congress will, in their wisdom, render him such additional encouragement, to that which he has obtained from private individuals, as to enable him to proceed with the work, so that your Memorials may be enabled to purchase copies of that record for themselves.
