The Swift-Sure. ANEW LINE OF STAGES.

NOW RUNNING BETWEEN

PHILADELPHIA & NEW-YORK. By the fhort and pleafant road of

Bustleton, Newtown, Scotch Plains, Spring-field and Newark.

THE excellence of the road, the populoufnels, with fundry other advantages, which render it fo far preferable to the Old Road through Briffol, Bruntwick, &c. long ago fuggefled the propriety of its becoming the Grand Thorough Fare from Philadelphia to New York. During the prefent year, a minute furvey of it has been taken, and its superiority over the Old Road, both in winter and summer, has been clearly aftertained.—There are good bridges over all the other waters but the Delaware, and here the croffing is performed with great fasety and in less than half the time required at the Trenton Ferry. The road is several miles shorter than the old road, but this is among the least of its advantages, became daily experience proves to us, that dispatch as well as comfort in travelling principally depend on the goodness of the road and the levelness of the country, and, in these respects, the New Road is, beyond all comparison, the hest. It presents none of those rocky hills, which render the Old Road so fatiguing between the Delaware and Newark. The foil, too, for the greater part, is such as to produce but little mud in winter, and very little use in summer, which circumstance, added to the beauty of the country, and a considerable proportion of shade, rush always render travelling in the latter season PHILADEL.

The Swift Sure statts from PHILADEL. HE excellence of the road, the populou

The Swift Sure flatts from PHILADEL-PHIA, at 6 o'clock every morning (Sundays excepted) from the GREEN TREE, opposite the Lutheran Church, North Fourth freet. It goes through Frankford to Bushleton, where it goes through Frankford to Buffleton, where it flops to Breakfaft; from Buffletown it goes through Newtown to Penny town to dinner; from Penny town through Hopewell, Millstone, Bunnd-brook, Quibbletown and Plainfield to Scotch Plains to lodge. The next morning it flops at Springfield to breakfaft, from whence it goes through Newark and arrives at New-York at noon

From NEW-YORK it flarts at 3 o'clock in the afternoon (from Paulus Hook) and arrives at Philadelphia the next evening. For feats at New-York, application may be made to Edward Bardin, Old Goffee house, to A. Mathieu, corner of Nassau and John streets, to B. Many, no. 48, Courtlandt, corner of Greenwich street, and to Michael Little, at his hotel, no. 41, Broad freet. Broad freet.

Fare for passengers, Five Dollars. Way passengers 6 Cents per Mile.

Each passenger is allowed to take on 14lbs, of baggage carriage free; but all other baggage, taken on by a passenger, will be charged at 4 cents per pound weight.

With respect to packages sent or With respect to packages sent on without passengers, the proprietors presume they have adopted a regulation, which, though unknown to other lines of stages, they think must meet with general approbation. They pledge themselves to make good every package on the following conditions. The person who delivers the package at the office shall see it entered in the stage-book, for which entry he shall pay 6 cents; he will then state the value of the package and nay (exclusive of the carriage) are never age, and pay (exclusive of the carriage) one per cent. on the value, as infurance, and for which he will receive a receipt. Thus, for inflance, if he cflimates his package at one dollar, he will pay one cent. and if at one hendred dollars, he will pay one dollar infurance, and in like proportion for packages of any other value.

Very few persons it is presumed, will dislike this regulation; it will however, be optionable with every one to avail himself of this security or not. But the proprietors think it right to state very explicitly, that they will be responsible for the safe delivery of no package, which is not recorded and for which an insuris not regularly entered, and for which an infurance receipt cannot be produced.

In the distribution of the route, the greatest care has bren taken to fix on such places and taverns as always afford a good accommodation and entertainment for the paffengers at the moft ceafonable rates The stages are well equipped furnished with seet and steadyhorses, and committed to the care of intelligent fober and obliging drivers. The proprietors themselves live at the different towns and villages where the slages will stop, so that the conduct of the perfons they employ is continually, an object of their attention.—They take care also to see that the pallengers are well provided for and pointely treated at the taverns, and that no fort of chicanery or infolence is fra Lifed upon them; in foort, they have spared neither pains nor expence to render the SWIFT-SURE the very best line of stages in America.

The line has now run nearly a month, during which time a great number of gentlemen have gone through, both from Philadelphia and New York. Every paffenger has found the road to furpafs very far all that has been faid of its excellence; and the Proprietors of the Swift Sure are extremely happy to hear the behavious of their drivers, and the treatment at Taverasr spokes of with the highest satisfaction.
