FOR SALE.

TO GRAZIERS.

In pursuance of the last will and testament of General David Forman, deceased, will be exposed to sale, at public vendue, (on the premises) on Wednesday the 25th day of October next, at ten o'clock in the forenoon of that day,

THAT very valuable FARM and PLANTATION, lying on the Long Marsh in Queen Anne's county, state of Maryland, containing about five hundred acres, about fifteen miles from Chester town, six from Church hill, and twelve from the head of Chetler.

This property is an object of very great speculation, particularly to any person in the grazing line, and in fact to any person wishing to sell their money in lands. There is a very large proportion of laid farm laid down in timothy, and will cut grass sufficient, I doubt not, to pay a neat profit of 500 dollars a year. There are also about twenty acres more cleared and fit to lay down in grass; and what renders it more valuable is, that when once the timothy is well set, it will last any person's life time: And what is called the bed of the Marsh, (of which there is a considerable part belonging to this farm) the soil is from four to six feet deep, of a black rich loam, and will average from two and an half to three tons of timothy an acre; and for two years past all the hay which could be spared from the farm, has sold at the stack for five pounds a ton. The arable land is calculated for wheat, rye, Indian corn, and particularly for what is called kite-foot or bright tobacco; it is well timbered, and contains maple swamps, that when cleared, will make meadows equal to any on the farm.

Any person wishing to purchase, can view the premises on application to Mr. Stephen Forman, on said farm. The conditions of sale will be, one half the purchase money on the first day of January next, and the remainder on the first day of May following.
