THOMAS & JOHN KETLAND. September 17, 1799.

FOR SALE.

TO GRAZIERS.

In pursuance of the last will and testament of General David Forman, deceased, will be exposed to sale, at public vendue, (on the previous) on Wednesday the 25th day of Ostor next, at ten o'clock in the forenous that day,

THAT valuable FARM and PLANTATION, lying on the Long Marsh in Queen Anne's country, state of Maryland, containing about five hundred acres, about fifteen miles from Chestee town, fix from Church hill, and twelve from the head of Chester.

This property is an object of very great speculation, particularly to any person in the grazing line, and in fact to any person wishing to west their money in lands. There is a very large proportion of said farm laid down in timothy, and will cut grass sufficient, I doubt not, to pay a neat profit of 500 dollars a-year. There are also about twenty acres more cleared and fit to lay down in grass; and what renders it more valuable is, that when once the timothy is well set, it will last any person's life time: And what is called the bed of the Marsh, sof which what is called the bed of the Marsh, (of which | A GENERAL ASSORTMENT OF what is ealled the bed of the Marsh, (of which there is a considerable part belonging to this farm) the still is from four to fix feet deep, of a black rich loom, and will average from two and an half to three tons of timothy an acre; and for two years past all the hay which could be spored from the farm, has fold at the stack for sive pounds a ton. 't he arable land is calculated for wheat, rye, Indian corn, and particularly for what is called kite-soot or bright tobacto; it is well timbered, and contains maple swamps, that when cleared, will make meadows equal to any on the farm.

Any person wishing to purchase, can view the premises on application to Mr. Stephen Forman, on said farm. The conditions of sale will be, one half the purchase money on the first day of January next, and the remainder on the sirst day of May following.
