THAT very valuable FARM and PLANTATION, lying on the Long Marsh in
Queen Anne's county, state of Maryland, contaming about five hundred acres, about fifteen
notes from Chester town, six from Church hill,
and twelve from the head of Chester.

This property is an object of very great speculation, particularly to any person wishing to
will their money in lands. There is a very large
proportion of said sarm laid down in timothy,
and will cut grass sufficient, I doubt not, to pay
a neat profit of 5-0 dollars a-year. There are
also about twenty acres more cleared and fit to
lay down in grass; and what renders it more
valuable is, that when once the timothy is well valuable is, that when once the timothy is well fet, it will laft any person's life time: And what is called the bed of the Marsh. (of which what is called the bed of the Marsh, (of which there is a considerable part belonging to this farm) the fill is from four to fix feet deep, of a black rich loom, and will average from two and an half to three tons of timothy an acre; and for two years past all the hay which could be spared from the farm, has fold at the stack for sive pounds a ton. The arable land is calculated for wheat, rye, Indian corn, and particularly for what is called kite-foot or bright tobacco; it is well timbered, and contains maple swamps, that when cleared, will make meadows equal to any on the farm.

fwamps, that when cleared, will make meadows equal to any on the farm.

Any perfon wishing to purchase, can view the premises on application to Mr. Stephen Forman, on said farm. The conditious of sale will be, one half the purchase money on the first day of January next, and the remainder on the sirft day of May following.
