**TREASURY DEPARTMENT,**  
March 11th, 1799.  
**PUBLIC NOTICE IS HEREBY GIVEN,**  
Pursuant to the act of Congress passed on the  
11th day of June, one thousand, seven hun-  
dred and ninety six, entitled "an act regulat-  
ing the grants of land appropriated for mili-  
tary services, and for the society of United  
Brethren for propagating the gospel among  
the Heathen;" and the act supplementary to  
the said act passed on the second day of  
March, one thousand seven hundred and nin-  
ety nine—to wit:  
I. THAT the tract of Land herein after de-  
scribed, namely, "beginning at the North West  
corner of the seven ranges of townships, and  
running thence fifty miles due south, along the  
western boundary of the said ranges;"—thence  
due West to the Main Branch of the Scioto ri-  
ver; thence up the Main Branch of the said ri-  
ver to the place where the Indian boundary line  
crosses the same—thence along the said bound-  
ary line to the Tuckawhos branch of the Mus-  
kingum river at the crossing place above Fort  
Lawrence; thence down the said river, to the  
point where a line run due west from the place  
of beginning, will intersect the said river;  
thence along the line to run to the place of be-  
ginning;" has been divided into townships of  
five miles square, and fractional parts of town-  
ships; and that plats and surveys of the said  
townships and fractional parts of townships are  
deposited in the offices of the Register of the  
Treasury and Surveyor General, for the inspec-  
tion of all persons concerned.  
II. The holders of such warrants as have been  
or shall be granted for military services performed  
during the late war, are required to present  
the same to the Register of the Treasury, at  
some time prior to the twelfth day of February  
in the year, one thousand eight hundred, for  
the purpose of being registered; No registry  
will however be made of any less quantity than  
a quarter township, or four thousand acres.  
III. The priority of location of the warrants which  
may be presented and registered in manner aforesaid,  
prior to the 12th day of February in the year  
one thousand eight hundred, will immediately  
after the said day, be determined by lot, in the  
manner described by the act first recited.  
IV. The holders of registered warrants, shall on  
Monday the 17th day of February, in the year  
1800, in the order of which the priority of loca-

office of the Register of the Treasury, the particu-  
lar quarter townships elected by them respectively,

lowed to register the said warrants in manner aforesaid,  
and forthwith to make locations thereon  
on any tract of tracts of land not before located.

said city, the place appointed by law at which to  
hold the stated Session of the said Court—There-

Town, in the county of Montgomery in the same  
district, being a convenient place within the same  
for holding the said court; and you are to make  
publication hereof in one or more public papers  
printed at the said city, that the said court is ad-  
journing as it is hereby directed to be; and you are  
accordingly to adjourn the said court to the said

It is the duty of the said Professor (to whom is

grammatically, and to prepare students for a superior  
school, by teaching them the Latin grammar  
the Vocabulary, and Cordery. Writing is to be

**WILLIAM COBBETT**

THE  
**BAVIAD**  
AND  
**MÆVIAD.**  
By WILLIAM GIFFORD, ESQUIRE.  
To which is prefixed,  
**A POETICAL EPISTLE TO THE AUTHOR**  
By an American Gentleman.  
[In introducing this celebrated work to the Gen-  
tleman and Ladies of America, I have endeavored  
to give it a dress proportioned to its distinguished  
merit, and to the taste of those for whose amu-  
sment and delight it is intended. No expense has  
been spared in the publication; and I flatter myself  
that the work does not yield, either in paper or  
print, to any one ever published in America—  
This edition has an advantage over some former  
ones, as it contains by way of notes, the minor  
productions of the author; and, it has an advan-  
tage over every other edition, in the Poetical Epistle  
which is prefixed to it, and which must be ex-  
tremely gratifying to every lover of literature in  
this country, as it is a proof that there are Ameri-  
cans who have the taste to admire, the justice to  
applaud, and the talents to rival the Geniuses of  
other nations.  
Some Copies have been sent on to Mr. Sam-  
erville, Maiden Lane, New York, also to Mr. Hill,  
Baltimore, and to Mr. Young, Charleston.  
Copies will be sent to Boston and other places, as  
soon as orders are received.] TERMS  
**Of Richard Folwell, in Philadelphia,**  
**FOR SUBSCRIBING TO THE**  
**JOURNALS OF CONGRESS,**  
FROM THE COMMENCEMENT  
Of the American War, in 1774, to  
the present time,  
INCLUDING  
The Reports of Heads of Departments, of  
Committees, and other Official and Pri-  
vate Papers of that Body, now first per-  
mitted to be made public.  
**TERMS.**  
THE work will be printed on a fine paper, and  
a new neat type, in large octavo.  
Each volume will contain above 500 pages,  
neatly bound and lettered.  
Uniformity in size, paper, and binding, will be  
observed throughout the work; so that, while the  
subscriber becomes possessed of a valuable record,  
an ornament may be added to his library.  
The price to subscribers will be 2 dollars, 75 cts.  
per volume, in boards, and 3 dollars, whole bound;  
but, as the publisher does not intend to print more  
than the number subscribed for, a considerable  
rise on the price may be expected to non-  
subscriber.  
Each volume will contain about one third less  
of letter-press than the original edition; but, as the  
publisher is not yet enabled to determine the extent  
of the Private Journals, which he may be allowed  
to make public, he cannot ascertain the number of  
volumes which will comprise the work.  
Payments to be made on delivery of each  
volume.  
Subscribers will have at their option, either to  
subscribe for the whole of the Journals, up to the  
present time, or to those only of the Old Congress  
prior to the organization of the Federal Govern-  
ment.  
IN all countries, the proceedings in the com-  
mencement of their government, are lost in dark-  
ness and obscurity, owing to a carelessness in the  
succeeding generation, to preserve the public re-  
cords, and the attention of the nation, in their re-  
spective ages, being called off from their domestic  
concerns, to engage in wars and conquest. Of what in-  
finite value would the laws of Alfred be, had they been  
transmitted to our days? Time, that destroys  
everything, enhances the value of well authenti-  
cated public records, and renders them almost in-  
estimable. It is hoped, that America will, there-  
fore, cheerfully contribute their assistance in trans-  
mitting to posterity the labours of their ancestors  
—founders of the Columbian nation.  
The work will certainly be advanced with  
expedition and promptitude. The following will  
show the support it has already acquired.

**The Swift-Sure,**  
**A NEW LINE OF STAGES,**  
NOW RUNNING BETWEEN  
**PHILADELPHIA & NEW-YORK,**  
By the short and pleasant road of  
*Buffletts, Newtown, Scotch Plains, Spring-  
field and Newark.*  
THE excellence of this road, the populou-  
sness of the country through which it pass-  
eth, with sundry other advantages, which render  
it so far preferable to the Old Road through  
Bristol, Braunswick, &c. long ago suggested the  
propriety of its becoming the Great Thoro-  
ugh-Fare from Philadelphia to New York.  
During the present year, a minute survey of it  
has been taken, and its superiority over the Old  
Road, both in winter and summer, has been  
clearly ascertained.—There are good bridges  
over all the other waters but the Delaware,  
and here the crossing is performed with great  
safety and in less than half the time required at  
the Trenton Ferry. The road is several miles  
shorter than the old road, but this is amply  
the least of its advantages, because daily expe-  
rience proves to us, that dispatch as well as com-  
fort in travelling principally depend on the  
goodness of the road and the levelness of the  
country, and in these respects, the New Road  
is, beyond all comparison, the best. It presents  
none of those rocky hills, which render the Old  
Road so fatiguing between the Delaware and  
Newark. The soil, too, for the greater part, is  
such as to produce but little mud in winter, and  
very little dust in summer, which circumstance,  
added to the beauty of the country, and a con-  
siderable proportion of shade, will always ren-  
der travelling in the latter season peculiarly agree-  
able.  
The Swift Sure starts from PHILADEL-  
PHIA, at 6 o'clock every morning (Sundays  
excepted) from the GREEN TREE, opposite  
the Lutheran Church, North Fourth Street. It  
goes through Frankford to Bulltett, where it  
stops at Breakfast; from Bulltett it goes  
through Newtown to Penny-town to dinner;  
from Penny town through Hopewell, Millstone,  
Bound-brook, Quibbletown and Plainfield to  
Scotch Plains to lodge. The next morning it  
stops at Springfield to breakfast, from whence  
it goes through Newark and arrives at New-  
York at noon.  
From NEW-YORK it starts at 3 o'clock in  
the afternoon (from Paulus Hook) and arrives  
at Philadelphia the next evening. For less at  
New-York, application may be made to Ed-  
ward Bardin, Old Coffee house, to A. Mathien,  
corner of Nassau and John streets, to B. M'ny,  
no. 48, Courtland, corner of Greenwick street,  
and to Michael Little, at his hotel, no. 43,  
Broad Street.  
**Fare for passengers, Five Dollars.**  
**Way passengers 6 Cents per Mile.**  
Each passenger is allowed to take on 14 lbs.  
of baggage carriage free; but all other baggage  
taken on by a passenger, will be charged at 4  
cents per pound weight.  
With respect to packages sent on without  
passengers, the proprietors presume they have  
adopted a regulation, which, though unknown  
to other lines of stages, they think must meet  
with general approbation. They pledge them-  
selves to make good every package on the fol-  
lowing conditions. The person who delivers  
the package at the office shall see it entered in  
the stage-book, for which entry he shall pay 6  
cents; he will then state the value of the pack-  
age, and pay (exclusive of the carriage) one per  
cent on the value, as insurance, and for which  
he will receive a receipt. Thus, for instance,  
if he estimates his package at one dollar, he will  
pay one cent, and if at one hundred dollars, he  
will pay one dollar insurance, and in like pro-  
portion for packages of any other value.  
Very few persons it is presumed, will dislike  
this regulation; it will however, be optional  
with every one to avail himself of this security,  
or not. But the proprietors think it right to  
state very explicitly, that they will be respon-  
sible for the safe delivery of no package, which  
is not regularly entered, and for which an insur-  
ance receipt cannot be produced.  
In the distribution of the route, the greatest  
care has been taken to fix on such places and ta-  
verns as always afford a good accommodation  
and entertainment for the passengers at the most  
reasonable rates. The stages are well equipped  
furnished with fleet and ready horfies, and com-  
mitted to the care of intelligent sober and obli-  
giving drivers. The proprietors themselves live  
at the different townes, and villages where the  
stages will stop, so that the conduct of the per-  
sons they employ is continually an object of their  
attention.—They take care also to see that the  
passengers are well provided for and politely  
treated at the taverns, and that no sort of chican-  
ery or insolence is practised upon them; in  
short, they have spared neither pains nor expence  
to render the SWIFT-SURE the very best line  
of stages in America.  
The line has now run nearly a month,  
during which time a great number of gentlemen  
have gone through, both from Philadelphia and  
New-York. Every passenger has found the  
road to surpass very far all that has been said of  
its excellence; and the Proprietors of the Swift  
Sure are extremely happy to hear the behaviour,  
of their drivers, and the treatment at Taverns  
spoken of with the highest satisfaction.
