TREASURY DEPARTMENT.
March 11th, 1799.

PUBLIC NOTICE IS HEREBY GIVEN,
Pursuant to the act of Congress passed on the
11th day of June, one thousand seven hun-
dred and ninety six, entitled "an act regulat-
ing the grants of land appropriated for mili-
tary services, and for the society of United
Brethren for propagating the gospel among
the Heathen;" and the act supplementary to
the said recited act passed on the second day
of March, one thousand seven hundred and ninety
nine—to wit:
I. THAT the tract of Land herein after de-
scribed, namely, "beginning at the North West
corner of the seven ranges of townships, and
running thence fifty miles due south, along the
western boundary of the said ranges;—thence
due West to the Main Branch of the Scioto ri-
ver; thence up the Main Branch of the said ri-
ver to the place where the Indian boundary line
crosses the same;—thence along the said bound-
ary line to the Tulcaroras branch of the Mus-
kingum river at the crossing place above Fort
Lawrence; thence down the said river, to the
point where a line run due west from the place
of beginning, will intersect the said river;
thence along the line so run to the place of be-
ginning;" has been divided into townships of
five miles square, and fractional parts of town-
ships; and that plats and surveys of the said
townships and fractional parts of townships are
deposited in the offices of the Register of the
Treasury and Surveyor General, for the inspec-
tion of all persons concerned.
II. The holders of such warrants as have been
or shall be granted for military services per-
formed during the late war, are required to present
the same to the Register of the Treasury, at
some time prior to the twentieth day of February
in the year, one thousand eight hundred, for
the purpose of being registered; No registry
will however be made of any less quantity than
a quarter township, or four thousand acres.
III. The priority of location of the warrants which
may be presented and registered in manner aforesaid,
prior to the 17th day of February in the year
one thousand eight hundred, will immediately
after the said day, be determined by lot, in the
mode described by the act first recited.
IV. The holders of registered warrants, shall on
Monday the 17th day of February, in the year
1800, in the order of which the priority of loca-
tion shall be determined by lot as aforesaid, personally,
or by their agents, designate in writing at the
office of the Register of the Treasury, the particu-
lar quarter townships elected by them respectively,
and such of the said holders as shall not designate
their locations on the said day, shall be postponed
in locating such warrants to all other holders of
registered warrants.
V. The holders of warrants for military services
sufficient to cover one or more quarter townships
or tracts of four thousand acres each; shall, at any
time after Monday the 17th day of February, 1800
and prior to the first day of January, 1802, be al-

THE Subscriber having lately returned from
viewing the land, surveyed and appropri-
ated to satisfy the land warrants, issued by the
secretary at war, to the officers and soldiers of the
late continental army; and having made
arrangements with Mr. James Johnson, of
Chester county, Pennsylvania, who he left on
the land, and who with the assistance of an in-
telligent inhabitant of that county, will spend
five months in exploring the different sections.
He will take regular notes, descriptive of the
soil, situation, and natural advantages attached
to each section in the whole survey—which notes
will be placed in the hands of the subscriber pre-
vious to the period for locating, thereby enab-
ling him to make the most advantageous loca-
tions the priority will admit.
He offers his service to the holders of land
warrants of the above description, throughout
the United States, to receive their warrants, class

A POETICAL EPISTLE TO THE AUTHOR
By an American Gentleman.

[In introducing this celebrated work to the Gen-
tlemen and Ladies of America, I have endeavored
to give it a dress proportioned to its distinguished
merit, and to the taste of those for whose approb-
ment and delight it is intended. No expense has
been spared in the publication; and I flatter myself
that the work does not yield, either in paper or
print, to any one ever published in America—
This edition has an advantage over some former
ones, as it contains by way of notes, the minor
productions of the author; and, it has an advan-
tage over every other edition, in the Poetical Epistle,
which is prefixed to it, and which must be ex-
tremely gratifying to every lover of literature in
this country, as it is a proof that there are Ameri-
cans who have the taste to admire, the justice to
applaud, and the talents to rival the Geniuses of
other nations.

TERMS
Of Richard Folwell, in Philadelphia,
FOR SUBSCRIBING TO THE
JOURNALS OF CONGRESS,
FROM THE COMMENCEMENT
Of the American War, in 1774, to
the present time,
INCLUDING
The Reports of Heads of Departments, of
Committees, and other Official and Pri-
vate Papers of that Body, now first per-
mitted to be made public.

THE work will be printed on a fine paper, and
a new neat type, in large octavo.
Each volume will contain above 500 pages
neatly bound and lettered.
Uniformity in size, paper, and binding, will be
observed throughout the work; so that, while the
subscribers become possessors of a valuable record,
an ornament may be added to their libraries.
The price to subscribers will be 3 dolls. 75 cts.
per volume, in boards, and 3 dolls. whole bound,
but, as the publisher does not intend to print more
than the number subscribed for, a considerable
rise on the price may be expected to non-sub-
scribers.
Each volume will contain about one third less
of letter-press than the original edition; but, as the
publisher is not yet enabled to determine the extent
of the Private Journals, which he may be allowed
to make public, he cannot ascertain the number of
volumes which will comprise the work.
Payments to be made on delivery of each
volume.
Subscribers will have it at their option, either to
subscribe for the whole of the Journals, up to the
present time, or to those only of the Old Congress
prior to the organization of the Federal Govern-
ment.

IN all countries, the proceedings in the com-
mencement of their governments, are lost in dark-
ness and obscurity, owing to a carelessness, in the
succeeding generation, to preserve the public re-
cords, and the attention of the nation, in those re-
gards, being called off from their domestic concerns,
to engage in wars and conquest. Of what infinite
value would the laws of Alfred be, had they been
transmitted to our days? Time, that destroys
every thing, enhances the value of well authenti-
cated public records, and renders them almost in-
estimable. It is hoped, that America will, there-
fore, cheerfully contribute their assistance in trans-
mitting to posterity the labours of their ancestors
—founders of the Columbian nation.

expedition and promptitude. The following will
show the support it has already acquired:

"That having, in our respective avocations,
frequent occasions to recur to the Journals of Con-
gress, we experience inconvenience by the scarcity
of them: That we understand that Richard
Folwell, printer, of Philadelphia, has had it in
contemplation to print that public record; and
that he hath obtained partial countenance from
many individuals; but that he has delayed prosecu-
ting the work, in expectation of encouragement
from government, that may adequately indemnify
him. We, therefore, respectfully solicit, as the
publication is necessary to be disseminated among
public bodies, that Congress will, in their wisdom
render him such additional encouragement, to that
which he has obtained from private individuals,
as to enable him to proceed with the work, so that
your Memorialists may be enabled to purchase cop-
ies of that record for themselves.

The Swift-Sure,
A NEW LINE OF STAGES,
NOW RUNNING BETWEEN
PHILADELPHIA & NEW-YORK,
By the short and pleasant road of
Burlington, Newtown, Scotch Plains, Spring-
field and Newark.

THE excellence of this road, the populouf-
ness of the country through which it pas-
ses, withundry other advantages, which render
it so far preferable to the Old Road through
Bristol, Braunswick, &c. long ago suggested the
propriety of its becoming the Grand Thorough-
fare from Philadelphia to New York. During the
present year, a minute survey of it has been taken,
and its superiority over the Old Road, both in
winter and summer, has been clearly ascertained.
—There are good bridges over all the other waters
but the Delaware, and here the crossing is per-
formed with great safety and in less than half
the time required at the Trenton Ferry. The road
is several miles shorter than the old road, but this
is amongst the least of its advantages, because daily
experience proves to us, that dispatch as well as
comfort in travelling principally depend on the
goodness of the road and the levelness of the
country, and, in these respects, the New Road
is, beyond all comparison, the best. It presents
none of those rocky hills, which render the Old
Road so fatiguing between the Delaware and
Newark. The soil, too, for the greater part, is
such as to produce but little mud in winter, and
very little dust in summer, which circumstance,
added to the beauty of the country, and a con-
siderable proportion of shade, must always ren-
der travelling in the latter season peculiarly agree-
able.

The Swift Sure starts from PHILADEL-
PHIA, at 6 o'clock every morning (Sundays
excepted) from the GREEN TREE, opposite the
Lutheran Church, North Fourth Street. It goes
through Frankford to Burlington, where it
stops to breakfast; from Burlington it goes
through Newtown to Penny-town to dinner;
from Penny town through Hopewell, Millstone,
Blount-brook, Quakertown and Plainfield to
Scotch Plains to lodge. The next morning it
stops at Springfield to breakfast, from whence
it goes through Newark and arrives at New-
York at noon.

From NEW-YORK it starts at 3 o'clock in
the afternoon (from Pauls Hook) and arrives
at Philadelphia the next evening. For seats at
New-York, application may be made to Ed-
ward Bardin, Old Coffee-house, to A. Mathieu,
corner of Nassau and John streets, to B. Many,
no. 48, Courtlandt, corner of Greenwich street,
and to Michael Little, at his hotel, no. 42,
Broad Street.

Fare for passengers, Five Dollars.
Way passengers 6 Cents per Mile.
Each passenger is allowed to take on 14lb. of
baggage carriage free; but all other baggage,
taken on by a passenger, will be charged at 4
cents per pound weight.

With respect to packages sent on without
passengers, the proprietors presume they have
adopted a regulation, which, though unknown
to other lines of stages, they think must meet
with general approbation. They pledge them-
selves to make good every package on the fol-
lowing conditions. The person who delivers
the package at the office shall see it entered in
the stage-book, for which entry he shall pay 6
cents; he will then state the value of the pack-
age, and pay (exclusive of the carriage) one per
cent on the value, as insurance, and for which
he will receive a receipt. Thus, for instance,
if he estimates his package at one dollar, he will
pay one cent, and if at one hundred dollars, he
will pay one dollar insurance, and in like pro-
portion for packages of any other value.

Very few persons it is presumed, will dislike
this regulation; it will however, be optional
with every one to avail himself of this security
or not. But the proprietors think it right to
state very explicitly, that they will be respon-
sible for the safe delivery of no package, which
is not regularly entered, and for which an insur-
ance receipt cannot be produced.
In the distribution of the route, the greatest
care has been taken to fix on such places and ta-
verns as always afford a good accommodation
and entertainment for the passengers at the most
reasonable rates. The stages are well equip-
ped furnished with fleet and steady horses, and
committed to the care of intelligent sober and
obliging drivers. The proprietors themselves live
at the different towns and villages where the
stages will stop, so that the conduct of the per-
sons they employ is continually an object of their
attention.—They take care also to see that the
passengers are well provided for and politely
treated at the taverns, and that no sort of chican-
ery or influence is practised upon them; in
short, they have spared neither pains nor expence
to render the SWIFT-SURE the very best line
of stages in America.

The line has now run nearly a month, dur-
ing which time a great number of gentlemen
have gone through, both from Philadelphia and
New-York. Every passenger has found the
road to surpass very far all that has been said
of its excellence; and the Proprietors of the Swift
Sure are extremely happy to hear the behavior,
of their drivers; and the treatment at Taverns
spokes of with the highest satisfaction.
