To BOTANISTS, GARDENERS and FLORISTS, AND to all other ladies and gentlemen, curious in ornamental, rare exotic or foreign plants and flowers, cultivated in the green house, hoe house, or stove, and in the open ground—A large and numerous variety of such rarities is now offered for sale, being the acquirement of many years' careful application, great assiduity, and considerable expence. The present proprietor, having, from the natural growth and successful increase of his plants, as well from frequent other acquisitions and additions to his collection, so far increased it as to render the allotted apartments not sufficiently large and commodious, is induced to make this offer of sacrifice. After referring a general and desirable stock, he has to spare a well assorted and great variety of those things, comprising a beautiful collection, sufficient to decorate, furnish, and ornament a spacious or handsome green-house AT ONCE. The whole collection, for that department, will be sold on very moderate and easy terms; or the proprietor may be induced to divide it into two equal lots; but he does not on any account intend to allow them to be selected or culled out by separately selling single plants or small lots in any thing like a retail way. The whole is a truly valuable collection, such as is very rarely to be met with for sale on this side the Atlantic—indeed a moiety of them would comprise a very desirable and extensive variety, consisting of many or most of the tropical fruits, and other rare and curious finely ornamental trees, shrubs, and plants, with a numerous and abundant assortment of choice bulbous, tuberous, and fibrous rooted flowering and ornamental plants in mixtures; all of good or superior kinds, as may be seen by the catalogue. For which, and for any further necessary information, please to apply to John Curran, at the Alms-house, Messrs. David and Cuthbert Landtrich, gardeners and nursery-men, in High-street, above West-chest-street, Philadelphia, Mr. William Booth, in the same line of business, Baltimore, or Mr. David Williamson, Greenwiche-street, New-York. N. B. It is now a good time and proper season to build a green-house, and to remove plants. Sept. 24. dtf
