AT a Court of Common Pleas held at Union
Town, for the county of Fayette, the fourth
Monday of June, in the year of our Lord one thou-
sand seven hundred and ninety-nine, before the
Judges of the said court, on the petition of John
Willson, praying that the act of Assembly, pro-
viding that the person of a debtor shall not be
liable to imprisonment for debt after delivering up
his estate for the use of his creditors, may be ex-
tended to him. The Court appointed the first day
of next term, to hear the petitioner and his cre-
ditors, and order that he give his creditors public
notice hereof, in Feno's Philadelphia paper, and in
Yundt and Brown's Baltimore paper, for one
week, ending at least four weeks before the day
of hearing; and that he also give to John Gil-
lepie and Jacob Everhart personal notice in writing,
to be served on them, at least fifteen days pre-
vious to the hearing. At September term, this order
was continued to the first day of December term.
By the Court,
EPHRAIM DOUGLASS,
Prothonotary.

WHEREAS

payment of such notes as the said Matthew
McConnell has drawn in favor of a certain

full discharge or tender up said notes, as
aforesaid, pro rata, according to their re-
spective claims and demands.

PUBLIC NOTICE IS HEREBY GIVEN,
Pursuant to the act of Congress passed on the
31st day of June, one thousand seven hun-
dred and ninety six, entitled "an act regulat-
ing the grants of land appropriated for mili-
tary services, and for the Society of United
Brethren for propagating the gospel among
the Heathen;" and the act supplementary to
the said recited act passed on the second day
of March, one thousand seven hundred and nin-
ety nine—to wit:
I.

a quarter township, or four thousand acres.
III.
The priority of location of the warrants which
may be presented and registered in manner afo-

from one to sixteen. The lands are of excellent

TO THE PUBLIC.
THE time being fixed on, when the
MILITARY LAND (commonly
called Knox's) **WARRANTS**, granted to
the United States' army, are to be regist-
ered and located.—the subscribers have ex-
plored that tract of land on which those war-
rants are to be laid; with a view, and for
the purpose of offering their services as lo-
cators.
We take the liberty of suggesting, "that
we are at least as well acquainted with the
situation, quality of the soil, &c. of the dif-
ferent townships in the aforesaid tract, as
any other person;" this will, perhaps, ap-
pear more clearly, by observing, that **WIL-
LIAM C. SCHENCK** assisted in running the
Indian boundary line; at which time he
considerably travelled that tract: he also
assisted in surveying and laying it off into
townships, and at other times ranged over
it, to gain information. But to obtain a
more complete and accurate knowledge, we
have lately spent between two and three
months, with several assistants, in particu-
larly examining the different townships and
quarter townships; by which means we have
acquired an accurate knowledge of the whole
district.—We now offer our services to the
public, as locators, with assurances that we
will locate every persons warrants intrusted
to us to the best advantage, agreeably to
their rights of location, which is to be de-
termined according to law. For our ser-
vices we demand the one equal tenth part,
either in lands or warrants, when we locate
a full tract, of four thousand acres or more,
for one person or firm; the land to be taken
in a square, at a corner of the tract; which
corner is to be equitably determined before
the time of location.—The one equal sixth
part, in cash or warrants, when we connect
and locate any amount less than four thou-
sand acres. We will be in Philadelphia
from December next, until after the time of
location, to transact this business. Any
person wishing to satisfy himself farther,
will please to call on us, by letter, (postage
paid) or otherwise; when due attention will
be paid, and such vouchers may be seen as
we have to offer, which we hope will be sa-
tisfactory.

**To the Holders of
MILITARY LAND WARRANTS.**
THE Subscriber having lately returned from
viewing the land surveyed and appropri-
ated to satisfy the land warrants, issued by the
secretary at war, to the officers and soldiers of
the late continental army; and having made
arrangements with Mr. James Johnston, of
Chester county, Pennsylvania, who lie on
the land, and who with the assistance of an in-
telligent inhabitant of that county, will spend
five months in exploring the different sections.
He will take regular notes, descriptive of the
soil, situation, and natural advantages attached
to each location in the whole survey—which notes
will be placed in the hands of the subscriber pre-
vious to the period for locating, thereby en-
abling him to make the most advantageous lo-
cations the priority will admit.
He offers his services to the holders of land
warrants of the above description, throughout
the United States, to receive their warrants, class
them, (as no less quantity than 4000 acres will
be registered at the office of the treasury) have
them registered agreeably to law, and attend to
make the location at the time appointed in
February next.
For transacting the business, one tenth part
of the land specified in the warrants will be re-
quired, and no other charge, except the postage
of letters. All warrants forwarded and letters
addressed to the subscriber, at No. 3, Penn-street,
Philadelphia, will receive immediate attention.

TERMS
Of Richard Folwell, in Philadelphia,
FOR SUBSCRIBING TO THE
JOURNALS OF CONGRESS,
FROM THE COMMENCEMENT
Of the American War, in 1774, to
the present time,
INCLUDING
The Reports of Heads of Departments, of
Committees, and other Official and Pri-
vate Papers of that Body, now first per-
mitted to be made public.
THE work will be printed on a fine paper, and
a new neat type, in large octavo.
Each volume will contain above 500 pages,
neatly bound and lettered.
Uniformity in size, paper, and binding, will be
observed throughout the work; so that, while the
subscribers become possessed of a valuable record,
an ornament may be added to their libraries.
The price to subscribers will be 2 dolls. 75 cts.
per volume, in boards, and 3 dolls. whole bound,
but as the publisher does not intend to print man-
more than the number subscribed for, a conside-
rable rise on the price may be expected to non-sub-
scribers.
Each volume will contain about one third less
of letter-press than the original edition; but, as the
publisher is not yet enabled to determine the extent
of the Private Journals, which he may be allowed
to make public, he cannot ascertain the number of
volumes which will comprise the work.
Payments to be made on delivery of each
volume.
Subscribers will have at their option, either to
subscribe for the whole of the Journals, up to the
present time, or to those only of the Old Congress
prior to the organization of the Federal Govern-
ment.
IN all countries, the proceedings in the com-
mencement of their governments, are lost in dark-
ness and obscurity, owing to a carelessness, in the
successing generation, to preserve the public re-
cords, and the attention of the nation, in these early
ages, being called off from their domestic concerns,
to engage in wars and conquest. Of what infinite
value would the laws of Alfred be, had they been
transmitted to our days? Time, that destroys
everything, enhances the value of well authenti-
cated public records, and renders them almost in-
estimable. It is hoped, that Americans will, there-
fore, cheerfully contribute their assistance in trans-
mitting to posterity the labours of their ancestors
—founders of the Columbian nation.
The work will certainly be advanced with
expedition and promptitude. The following will
show the support it has already acquired:

frequent occasions to recur to the Journals of Con-

contemplation to print that public record; and
that he hath obtained partial countenance from
many individuals; but that he has delayed profes-
sing the work, in expectation of encouragement
from government, that may adequately indemnify
him. We, therefore, respectfully solicit, as the
publication is necessary to be disseminated among
public bodies, that Congress will, in their wisdom
render him such additional encouragement, to that
which he has obtained from private individuals,
as to enable him to proceed with the work, so that
your Memorials may be enabled to purchase co-
pies of that record for themselves.

The Swift-Sure,
A NEW LINE OF STAGES,
NOW RUNNING BETWEEN
PHILADELPHIA & NEW-YORK,
By the short and pleasant road of
*Buflington, Newtown, Scotch Plains, Spring-
field and Newark.*
THE excellence of this road, the popula-
rity of the country through which it pass-
es, with sundry other advantages, which render
it so far preferable to the Old Road through
Brifort, Brunswick, &c. long ago suggested the
propriety of its becoming the Grand Thoro-
ugh Fare from Philadelphia to New-York.
During the present year, a minute survey of it
has been taken, and its superiority over the Old
Road, both in winter and summer, has been
clearly ascertained.—There are good bridges
over all the other waters but the Delaware,
and here the crossing is performed with great
safety and in less than half the time required at
the Trenton Ferry. The road is several miles
shorter than the old road, but this is amply
the least of its advantages, because daily expe-
rience proves to us, that dispatch as well as com-
fort in travelling principally depend on the
goodness of the road and the levelness of the
country, and in these respects, the New Road
is, beyond all comparison, the best. It presents
none of those rocky hills, which render the Old
Road so fatiguing between the Delaware and
Newark. The soil, too, for the greater part, is
such as to produce but little mud in winter, and
very little dust in summer, which circumstance,
added to the beauty of the country, and a con-
siderable proportion of shade, must always ren-
der travelling in the latter season peculiarly as
agreeable.
The Swift Sure starts from PHILADEL-
PHIA, at 6 o'clock every morning (Sundays
excepted) from the GREEN TREE, opposite
the Lutheran Church, North Fourth Street. It
goes through Frankford to Buflington, where it
stops to breakfast; from Buflington it goes
through Newtown to Penny-town to dinner;
from Penny-town through Hopewell, Millstone,
Bound-Brook, Quibbletown and Plainfield to
Scotch Plains to lodge. The next morning it
stops at Springfield to breakfast, from whence
it goes through Newark and arrives at New-
York at noon.
From NEW-YORK it starts at 3 o'clock in
the afternoon (from Paulus Hook) and arrives
at Philadelphia the next evening. For seats at
New-York, application may be made to Ed-
ward Barts, Old Coffee-house, to A. Mathieu,
corner of Nassau and John streets, to B. Many,
no. 48, Courtlandt, corner of Greenwich streets,
and to Michael Little, at his hotel, no. 42,
Broad Street.

Fare for passengers, Five Dollars.
Way passengers 6 Cents per Mile.
Each passenger is allowed to take on 14lbs. of
baggage carriage free; but all other baggage,
taken on by a passenger, will be charged at 4
cents per pound weight.
With respect to packages sent on without
passengers, the proprietors presume they have
adopted a regulation, which, though unknown
to other lines of stages, they think must meet
with general approbation. They pledge them-
selves to make good every package on the fol-
lowing conditions. The person who delivers
the package at the office shall see it entered in
the stage-book, for which entry he shall pay 6
cents; he will then state the value of the pack-
age, and pay (exclusive of the carriage) one per
cent. on the value, as insurance, and for which
he will receive a receipt. Thus, for instance,
if he estimates his package at one dollar, he will
pay one cent, and if at one hundred dollars, he
will pay one dollar insurance, and in like pro-
portion for packages of any other value.
Very few persons it is presumed, will dislike
this regulation; it will however, be optional
with every one to avail himself of this security
or not. But the proprietors think it right to
state very explicitly, that they will be respon-
sible for the safe delivery of no package, which
is not regularly entered, and for which an insur-
ance receipt cannot be produced.
In the distribution of the route, the greatest
care has been taken to fix on such places and ta-
vern as always afford a good accommodation
and entertainment for the passengers at the most
reasonable rates. The stages are well equipped
furnished with sleek and steady horses, and com-
mitted to the care of intelligent sober and obli-
giving drivers. The proprietors themselves live
at the different towns and villages where the
stages will stop, so that the conduct of the
persons they employ is continually an object of
their attention.—They take care also to see that
the passengers are well provided for and politely
treated at the taverns, and that no sort of chican-
ery or insolence is practised upon them; in
short, they have spared neither pains nor expen-
se to render the SWIFT-SURE the very best line
of stages in America.
The line has now run nearly a month, dur-
ing which time a great number of gentlemen
have gone through, both from Philadelphia and
New-York. Every passenger has found the
road to surpass very far all that has been said of
its excellence; and the Proprietors of the Swift
Sure are extremely happy to bear the behavio-
ur of their drivers, and the treatment at Taverns
spoken of with the highest satisfaction.
