MILITARY LAND WARRANTS.

The Subscriber having lately returned from viewing the land, surveyed and appropriated to satisfy the land warrants, issued by the secretary at war, to the officers and soldiers of the late continental army; and having made arrangements with Mr. James Johnston, of Chester county, Pennsylvania, who he left on the land, and who with the assistance of an intelligent inhabitant of that county, will spend five months in exploring the different sections. He will take regular notes, descriptive of the soil, situation, and natural advantages attached to each section in the whole survey—which notes will be placed in the hands of the subscriber previous to the period for locating, thereby enabling him to make the most advantageous locations the priority will admit.

He offers his service to the holders of land warrants of the above description, throughout the United States, to receive their warrants, class them, (as no less quantity than 4000 acres will be registered at the office of the treasury) have them registered agreeable to law, and attend to make the location at the time appointed in February next.

For transacting the business, one tenth part of the land specified in the warrants will be required, and no other charge, except the postage of letters. All warrants forwarded and letters addressed to the subscriber, at No. 3, Penn-street, Philadelphia, will receive immediate attention.
