TWENTY: THREE Geometrical Definitions, eleven Geometrical Politions, exhibiting to view the properties and dependencies of triangles; followed by problems and examples preparatory to Trigonometry, heights and diffances. Then fifteen problems and examples necessarily previous to calculating a Survey succeeded by seven surveys, the area of the four first is found geometrically, and of the whole number by difference of latitude and departure, shewing how to take an inaccessible boundary, find the bearing and distance of the closing line without running it, also the distances to an inaccessible corner from the two adjacent corners, followed by examples of offsets on to winding streams of water, shewing how to aftertain the area without the trouble of measuring the windings with chains and instruments—a crooked water course finaitened, and a quantity of land on each side found by and a quantity of land on each fide found by

and a quantity of land on each lide found by these offsets.

Ten examples of dividing land, with many sub-divisions, leading into the most critical circumstances that can occur in practice; an example of Intersections, and an example shewing how the bearings of a field may be truly taken where the needle is attracted, altho' the attraction may varyin quantity and denomination at every station; examples shewing the method of measuring by the chain only. All the rules are clear and explicit. This work contains the tables of difference of latitude and departure and or logarithms.

Orders sext to Juseph and James Cruckshank, Booksellers, No. 8-, High-street, Philadelphia, Bonsall and Niles, 173, Market Street, Baltimore, or the Subscriber in Wilmington (Del.) will be duly attended to.

Those who have the eare of subscription papers for this work, are raquested to fend their respective numbers as soon as possible, to whom the quota's will be fent agreeably to the proposals.

TO BE SOLD, BY THE SUBSCRIBERS;

BY THE SUBSCRIBERS,

NINE undivided tenth parts of atract of Land, in the State of Georgia; either together or in facts parts as may fult the purchaser. The whole tract is bounded as follows; viz. beginning on the Missippi river, where the latitude of thirty two degrees, foncy nine misutes, forty seconds north of the Equator interfects the same pixer; thence up the middle of the said Tom Bigby river; thence up the middle of the said Tom Bigby river to the place where the latitude thirty-two degrees, fifty-nine misutes, twenty seconds north of the equator interfects the same; thence a due west course on the same parallel of latitude to the Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence and the privileges, immunities and appurtenances thereof, including all islands within the said bounds, and containing at least One Missippi river; thence down the middle of the said Missippi river; thence down the middle of the said Missippi river; thence and the missipp

CHARLES CUSHING, Bofton, Oct. 2, 1799. GEORGE LANE, 1 wif, M. HANS,

## TREASURY DEPARTMENT

PUBLIC NOTICE IS HEREBY GIVEN, Pursuant to the act of Congress passed on the 1st day of June, one thousand, seven hundred and naety six, entitled "an act regulating the grants of land appropriated for military services, and for the society of United Brethren for propagating the gospel among the Heathen;" and the act supplementary to the fail recited act passed on the second day of March, he thousand seven hundred and ninety nine—10 april:

THAT the tract of Land herein after de-rised, namely, "heginning at the North West orner of the seven ranges of townships, and corner of the feven ranges of townships, and curning thence hiry miles due fouth, along the wellern boundary of the laid ranges;—thence due West to the Main Branch of the Schoto river; thence up the Main Branch of the fald river to the place where the Indian boundary line crosses the falme;—thence along the fald boundary line to the Tuicar or as branch of the Must kingum river at the crossing place above Fort Lawrence; thence down the faild river, to the point

deposited in the offices of the Register of the Treasury and Surveyor General, for the inspection of all persons concerned.

II.

The holders of fuch warrants as have been or skall be granted for military tervices performed during the late war, are required to present the same to the Register of the Treatury, as fome time prior to the twelfth day of February in the year, one thousand eight hundred, for the purpose of being regulered; No registry will however be made of any els quantity the a quarter township, or four thousand acres.

III.

The priority of location of the warrants which may be prefented and penifiered in manner afore faid, prior to the 12th day of February in the year one thousand eight hundred, will immediately after the faid day, be determined by lot, in the mode dreferibed by the ast first recited.

IV.

The fiolders of registered warrants, shall on Monday the 17th day of February, in the year 1800, in the order of which the priority of location shall be determined by lot as aforefaid, pefonally, or by their agents, defignate in writing at the office of the Register of the Treasury, the particular quarter townships elected by them respectively, and such a shall not designate their locations on the said day, shall not designate in locating such warrants to all other heiders of registered warrants.

The holders of watrants for military fervices The holders of warrants for military fervices fufficient to cover one or more quarter townships or tr. As of four thousand acres each; shall, at any time after Mouday the 17th day of February, 1800 and prior to the first day of January, 1802, be allowed to register the faid warrants in manner aforesaid, and forthwith to make locations therefor on any track or tracks of land not before located.

All warrants or claims for lands on account of military fervices, which shall not be registered and located before the first day of January, 1802, are by the supplementary act of Congress herein before recited, passed on the second day of March, 1799, declared to be forever barred.

Given under my hand at Philadelphia, the day and year above mentioned.

OLIVER WOLCOTT. Sec. of the Treasury.

Man orner, of Naslau and John streets, to B. Mio. 48, Courtlands, corner of Greenwich sind to Michael Little, at his hotel, and toget.

Fare for pallengers, live Doll Way paffengers 6 Cents per

With respect to packages sent on affengers, the proprietors presume the lopted a regulation, which, though me with general approbation. They pledge felves to make good every package on the lowing conditions. The person who deithe package at the office shall feel to enter the stage-book, for which entry he shall teens; he will then state the value of the age, and pay (exclusive of the carriage) medicate on the value, as insurance, and for whe will receive a receipt. Thus, for instant he estimates his package at one dollar, he will pay one cent, and if at one hundred dollar will pay one dollar insurance, and in the portion for packages of any other value.

Very few persons it is presumed, will dist
this regulation 4 it will however; be optional
with every one to avail himself of this seed
or not. But the proprietors think it right
state very explicitly, that they will be resp
sible for the frie delivery of no package, whi
is not regularly entered, and for which animal
ance receipt cannot be produced.

In the distribution of the route, the great
care has bren taken to fix on such places and
verns as always afford a good accommodat
ard entertainment for the passengers at the
measurable rates. The stages are well equipy
formished with sleet and steadyhorses, and co
mitted to the care of intelligent sober and et
ging drivers. The proprietors themselves is
at the different towns and villages where t
stages will stop, so that the conduct of the p
form they employ is continually an object of the
attention.—They take care also to see that the
passence are well provided for and positive
created at the taverns, and that no fort of the
acty or insolence is practiled upon them;

treated at the taverns, and that no fort of chies nery or infolence is practifed upon them; if thort, they have spared neither pains nor expent to render the SWIFT SURE the very best lin of stages in America.

The line has now run nearly a month, during which time a great number of gentleme have gone through, both from Philadelphia as New-York. Every passenger has found throad to surpais very far all that has been faid this excellence; and the Proprietors of the Swift of their drivers, and the treatment at Tavetts spoken of with the highest facisfaction.
