UPWARDS OF

Eighteen Thousand Persons Of all ages, within nine months past, have found relief from HAMILTON'S

Worm destroying Lozenges,

In various complaints arising from worms and from foulness or obstructions in the stomach and bowels.

This medicine bears no analogy whatever to others of similar title for commonly complained of, as operating with a degree of violence, sufficient, not only to kill worms, but sometimes to endanger the patient's life; on the contrary, a peculiar excellence of this remedy is, its being suited to every age and constitution, contains nothing but what is perfectly innocent, and is so mild in its operation, that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body; but will, without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

RECENT CURES

Selected from several hundreds, the authenticity of which, any person may ascertain either by letter or personal application—not being performed in Europe, nobody knows where—but at home.

MICHAEL DUFFY, residing at No. 47, Wilkes Street, Fell's point, in the city of Baltimore, voluntarily maketh oath, that the following statement is just and true.

In the beginning of May last, my three children, a boy of seven, and two girls, the one five and the other three years of age, were taken very ill, nearly at the same time, of a common fever, as I then supposed; but was soon convinced the disorder was caused by worms—they were frequently troubled with convulsion fits and violent startings in their sleep, and with almost continual vomiting and purging, particularly the youngest. I made immediate application to a physician of the first reputation, and his medicines were administered with a confidence of success which only increased our disappointment. The children grew daily weaker, and I was absolutely without hopes of their recovery. The youngest soon appeared almost devoid of animation, and scarcely an inhabitant of this world. In this distressing moment, I was told that Hamilton's Worm Destroying Lozenges had performed many cures in cases equally desperate—I immediately purchased a box, and gave each of them a dose, which in a few hours produced the most desirable effects; the eldest voided a great number of very large worms, and the second thousands of small ones, many of them not a quarter of an inch long—in the youngest they seemed to be consumed, and had the appearance of skins and of slimy matter. I repeated the dose agreeable to the paper of directions, and they all speedily recovered a good state of health which they still enjoy, tho' five months have nearly elapsed since they were on the borders of the grave, and the death of the whole appeared to be inevitable.

Sworn before me this 25th day of September, 1799. J. SMITH.

LETTER

From Mr. John J. Abercromby, Soap and Candle Manufacturer, No. 28, Bridge Street, Baltimore.

TO THE PROPRIETOR OF Hamilton's Worm Destroying Lozenges.

Sir, I think it my duty to inform you that I have experienced the happiest effects from your Lozenges, having been much afflicted for four years past, with various complaints caused by worms, particularly a constant pain in my stomach and bowels, frequent and severe head aches, with a general lassitude and weakness, during which time I had the best medical advice that could be obtained from the most skillful physicians I could hear of, both American and European, without any alleviation of my disorder.

I should, too probably, have continued without relief, but for your Worm Destroying Lozenges, which brought from me an astonishing quantity of small white worms, about the size of a coarse thread, and in a short time, I found myself perfectly free from all my former complaints, and have enjoyed a good state of health for five months past.

I have constantly recommended your medicine, and shall as long as I live, having, from my own experience reason to believe it to be an invaluable and unparalleled remedy. Should any person wish for further information, I will with pleasure satisfy their enquiries on this subject. JOHN J. ABERCROMBY.

Sir, July 10, 1799.

I had been a long time afflicted with a violent and gnawing pain in my stomach, a dull, heavy, continual head ache, with a frequent swimming in my head, accompanied with dimness of sight and sometimes partial blindness, and was rendered incapable of attending my business, thro' loss of strength; sometimes could scarcely eat a morsel for two or three days; when my appetite would suddenly become astonishingly voracious. I firmly believed myself to be in a consumption, which must soon put a period to my life, when happily hearing of several cures performed by Hamilton's Worm Destroying Lozenges in complaints which could not be accounted for, I took two doses, which expelled an incredible number of small sharp pointed worms; in short, I now enjoy as perfect health and strength, as ever I did in my life, and I believe my cure to be entirely effected by means of your medicine.

My brother witnessing its surprising efficacy was induced to take a dose though in tolerable health, which occasioned him likewise to void a great quantity of worms of the same kind, and thereby probably prevented his experiencing those dreadful disorders with which I was afflicted.

A sincere desire that others in similar circumstances may receive the same benefit, is the reason of my sending you this account.

Yours, very respectfully, AQUILA GOLDING. Hartford Road, 2 miles from Baltimore.

OBSERVE.

Those who wish to avail themselves of the benefits proposed by the above remedy, should be particularly careful as they value their money and their health, to guard against the numerous impositions daily attempted on the public, by applying to Mr. Wm. X. Birch, Stationer, No. 17, South Second Street, who is appointed the only vendor in Philadelphia—Likewise observe that none can be depended on as being genuine, unless the signature of Lee & Co. is pasted on the outside of each.

The Swift-Sure,

A NEW LINE OF STAGES,

NOW RUNNING BETWEEN

PHILADELPHIA & NEW-YORK,

By the short and pleasant road of

Buffleton, Newtown, Scotch Plains, Springfield and Newark.

The excellence of this road, the populousness of the country through which it passes, with sundry other advantages, which render it so far preferable to the Old Road through Bristol, Brunswick, &c. long ago suggested the propriety of its becoming the Grand Thorough-Fare from Philadelphia to New York. During the present year, a minute survey of it has been taken, and its superiority over the Old Road, both in winter and summer, has been clearly ascertained.—There are good bridges over all the other waters but the Delaware, and here the crossing is performed with great safety and in less than half the time required at the Trenton Ferry. The road is several miles shorter than the old road, but this is amongst the least of its advantages, because daily experience proves to us, that dispatch as well as comfort in travelling principally depend on the goodness of the road and the levelness of the country, and in these respects, the New Road is beyond all comparison, the best. It presents none of those rocky hills, which render the Old Road so fatiguing between the Delaware and Newark. The soil, too, for the greater part, is such as to produce but little mud in winter, and very little dust in summer, which circumstance, added to the beauty of the country, and a considerable proportion of shade, will always render travelling in the latter season peculiarly agreeable.

The Swift Sure starts from PHILADELPHIA, at 6 o'clock every morning (Sundays excepted) from the GREEN TREE, opposite the Lutheran Church, North Fourth Street. It goes through Frankford to Buffleton, where it stops to breakfast; from Buffleton it goes through Newtown to Penny-town to dinner; from Penny-town through Hope well, Millstone, Bound-brook, Quabtown and Plainfield to Scotch Plains to lodge. The next morning it stops at Springfield to breakfast, from whence it goes through Newark and arrives at New-York at noon.

From NEW-YORK it starts at 3 o'clock in the afternoon (from Paulus Hook) and arrives at Philadelphia the next evening. For seats at New-York, application may be made to Edward Bardin, Old Office house, to A. Mathien, corner of Nassau and John Streets, to B. Many, no. 48, Courtlandt, corner of Greenwich Street, and to Michael Little, at his hotel, no. 42, Broad Street.

Fare for passengers, Five Dollars.

Way passengers 6 Cents per Mile.

Each passenger is allowed to take on 14 lbs. of baggage carriage free; but all other baggage, taken on by a passenger, will be charged at 4 cents per pound weight.

With respect to packages sent on without passengers, the proprietors presume they have adopted a regulation, which, though unknown to other lines of stages, they think must meet with general approbation. They pledge themselves to make good every package on the following conditions. The person who delivers the package at the office shall see it entered in the stage-book, for which entry he shall pay 6 cents; he will then state the value of the package, and pay (exclusive of the carriage) one per cent. on the value, as insurance, and for which he will receive a receipt. Thus, for instance, if he estimates his package at one dollar, he will pay one cent, and if at one hundred dollars, he will pay one dollar insurance, and in like proportion for packages of any other value.

Very few persons it is presumed, will dislike this regulation; it will however, be optional with every one to avail himself of this security or not. But the proprietors think it right to state very explicitly, that they will be responsible for the safe delivery of no package, which is not regularly entered, and for which an insurance receipt cannot be produced.

In the distribution of the route, the greatest care has been taken to fix on such places and taverns as always afford a good accommodation and entertainment for the passengers at the most reasonable rates. The stages are well equipped furnished with fleet and heady horses, and committed to the care of intelligent sober and obliging drivers. The proprietors themselves live at the different towns and villages where the stages will stop, so that the conduct of the persons they employ is continually an object of their attention.—They take care also to see that the passengers are well provided for and politely treated at the taverns, and that no sort of chicanery or intolerance is practised upon them; in short, they have spared neither pains nor expense to render the SWIFT-SURE the very best line of stages in America.

The line has now run nearly a month, during which time a great number of gentlemen have gone through, both from Philadelphia and New-York. Every passenger has found the road to surpass very far all that has been said of its excellence; and the Proprietors of the Swift Sure are extremely happy to hear the behaviour of their drivers, and the treatment at Taverns spoken of with the highest satisfaction.
